

Theatricals.

The newspapers of Cincinnati have for years past praised nearly every miserable theatrical company that has come to this city, without regard to the interests of the public, merely because of the erroneous notion entertained that it is fatal to the prosperity of a paper to tell the truth on the subject of theatricals.

A handful of people has been called a fair house and a fair house a crush.

The noise set up by the attacks of the theaters at stated intervals during a performance is pronounced thunders of applause, and a ripple of laughter is described as a roar of the genuine article.

Somebody with a rich dress, but who may be a dire bad performer, is lauded to the skies, and a vulgar hoodlum with a bad breath and worse pronunciation is in the papers another Booth.

An ignorant and vulgar song and dance man, who can only howl and sprawl over the stage or throw a hand-spring, is pronounced an artist.

A padded and bespangled, shriveled, old, lean, lank female with a painfully screeching voice, becomes transformed into a queen of grace and beauty and a nightingale.—Cincinnati Sun.

There will be no more elections in the United States in October. The "October States" are a thing of the past. The last one to adhere to the October system was Ohio, and at the late election in that State it was determined by an affirmative vote of 537,000 that all elections shall hereafter be held in November.

When ex-Governor English, of Connecticut, visited the constitutional convention of New York, at Albany, in 1876, he was the only Democrat present who was Governor of a State, and as such was the lion of Democratic circles. Now a majority of the States are under Democratic administration.

The protectionists insist that free trade ruins a country, and then when they have drawn a breath they assert that we must protect ourselves against a free-trade country. They are silent about countries that have protected industries for a thousand years.

The free-trade countries in Europe pay higher wages to their workmen than do the protective countries. The workmen in protected industries in this country receive smaller wages as a rule than their more fortunate brethren, who are not "protected" a nickel's worth.

Proper Treatment for Coughs.

That the reader may fully understand what constitutes a good Cough and Lung Syrup, we will say that Tar and Wild Cherry is the basis of the best remedies yet discovered. Cure For Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulence, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, bleeding and itching piles yield at once to the application of Dr. Rosanck's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching and effecting a permanent cure. Price 50 cents. Address the Dr. Rosanck Medicine Co., Piqua, Ohio. Sold by Osburn & Co. and W. S. Lee, of Junction.

JUNCTION CITY, Oct. 14. During last April or May there was a certain calf missing from our neighborhood, and as Mr. T. J. Moffitt, formerly a resident here, but now a resident of Wasco county, had driven a drove of cattle out of our neighborhood, I thought the calf in question had strayed amongst his cattle and had been driven away by Mr. Moffitt. Since that time the calf has been found, and I am satisfied it was mistaken. I now desire to exonerate Mr. Moffitt, as time has proven to me that he is innocent of any charge brought by me against him. JAMES CALVERT.

KING'S EVIL

Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that

SCROFULA

can only be cured by a thorough purification of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its earlier symptomatic developments are Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas, Parient Ulcers, Nervous and Physiological Collapse, etc. It allowed to continue, Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases, Tubercular Consumption, and various other dangerous or fatal maladies, are produced by it.

Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so effective an alterative that it eradicates from the system Hereditary Scrofula, and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great

Regenerative Medicine

Is composed of the genuine Honduras Sarsaparilla, with Yellow Dock, Nettle-root, the Jodites of Potassium and Iron, and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as an

Absolute Cure

For all diseases caused by the vitiation of the blood. It is concentrated to the highest practical degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best blood purifying medicine, in the world.
