

An Absent Minded Hunter.

A good story is told of one of our Natchez sportsmen. He prepared himself for a hunt, and placed, as he thought, all his traps in a buggy, intending to drive to the field of operations and then ride on horseback. He reached the scene of his promised sport donned his hunting suit, buckled his cartridge belt about his body, unharnessed the horse and put the saddle on him, and had everything in readiness. He then went to his buggy for his trusty brewh loader, but alas! that implement of destruction to the feathered tribe had been left in town. His dog just at that time came to a stand on a covey of partridges.

Thought They'd Break Something.

"Oh, mother!" exclaimed an enthusiastic north side bicyclist yesterday, "Howell has done it." "Done what?" asked the old lady, somewhat alarmed. "Broken the mile record on the bicycle." "Well, I thought those bicycle-riders would break something the way they ride," commented the old lady.

An eastern paper tells a curious story in connection with Miss Annie Pixley the actress. Once when she was playing in Idaho she wanted a real live baby to appear on the stage. She got one from a Maine-born woman living in the Idaho town where the play was produced. The baby cooed and behaved splendidly on the stage, and the rough miners were mightily tickled. A dozen years passed and the baby grew to be a lovely miss. Recently the girl and her parents visited Bangor and saw Miss Pixley in the same play. The meeting was mutually pleasant, and old times and scenes in the West were gone over, which kept the party in good humor for several hours.

The negro is here, and the farmers say they want no better laborer. If he is here to stay, we shall have little or no foreign immigration of the character that is flowing into the Northwest. Consequently, the best way to preserve the unities is to do our best to secure the immigration of northern capital and capitalists.—Atlanta Constitution

*Cure For Piles.

Piles are frequently preceded by a sense of weight in the back, pains and laceration of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulence, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, bleeding and itching piles yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching and effecting a permanent cure. Price 50 cents. Address the Dr. Bosanko Medicine Co., Piqua, Ohio. Sold by Osburn & Co. and W. S. Lee, of Junction.

A Card.

JUNCTION CITY, Oct. 14. During last April or May there was a certain calf missing from our neighborhood, and as Mr. T. J. Moffitt, formerly a resident here, but now a resident of Wasco county, had driven a drove of cattle out of our neighborhood, I thought the calf in question had strayed amongst his cattle and had been driven away by Mr. Moffitt. Since that time the calf has been found, and I am satisfied I was mistaken. I now desire to exonerate Mr. Moffitt, as time has proven to me that he is innocent of any charge brought by me against him. JAMES CALVERT.

WORTHY Of Confidence.

AYER'S Sarsaparilla is a medicine that, during nearly 40 years, in all parts of the world, has proved its efficacy as the best blood purifier known to medical science.

SARSAPARILLA is extracted from the genuine Honduras Sarsaparilla is its base, and its powers are enhanced by the extracts of Yellow Dock and Stillingia, the lodides of Potassium and Iron, and other potent ingredients.

IS THE leading physician of the United States, who knows the composition of AYER'S SARSAPARILLA, say that nothing else so good for the purification of the blood is within the range of pharmacy.

ONLY by the use of this remedy is it possible for a person who has corrupted blood to attain sound health and prevent transmission of the destructive taint to posterity.

THOROUGHLY effective renovation of the system must include not only the removal of corruption from the blood, but the enrichment and the strengthening of the vital organs.

RELIABLE witnesses, all over the world, testify that this work is better accomplished by AYER'S SARSAPARILLA than by any other remedy.

BLOOD that is corrupted through disease is made pure, and blood weakened through diminution of the red corpuscles is made strong, by AYER'S SARSAPARILLA.

PURIFYING up the system require time in serious cases, but benefit will be derived from the use of AYER'S SARSAPARILLA more speedily than from anything else.

MEDICINE falsely claimed, is abundant in the market, under many names, but the only preparation that has stood the test of time, and proved worthy of the world's confidence, is Ayer's Sarsaparilla.
