

The San Francisco Argonaut, Republican, in the course of a long editorial on the Eastern elections, says: "Republicans are by the recent elections in New York compelled to admit that the Empire State is no longer a Republican one. The triumph of Cleveland for governor; the defeat of Blaine for president, and now the election of Hill, seems to place New York prominently in the column of Democratic states."

Lawsuits are sometimes rather expensive luxuries. A case has just been concluded in a circuit court in Iowa, which in the beginning might have been settled for \$850; but the fighting disposition of the parties involved prevented a settlement. The matter has been in the courts eleven years, cost over \$20,000 and bankrupted several prosperous farmers.

The proposal of a southern newspaper to take the erection of a monument to Gen. Grant out of the dilatory hands of the north and to have it completed by the money of the south may be regarded in the lexicon of Everts, Blaine, Sherman, Logan and Foraker as "another southern outrage."

There will be no more elections in the United States in October. The last one to adhere to the October system was Ohio, and at the late election in that State it was determined by an affirmative vote of 537,000 that all elections shall hereafter be held in November.

The postoffice at Plymouth, Utah, was discontinued a few days ago for the reason that every one had moved out of the town, leaving the postmaster with his four wives and fifteen children as the only occupants of the place.

At a wedding in Walla Walla last Saturday, when the minister asked the prospective husband if he would take that woman to be his wedded wife, the agitated reply was: "Yes, sir-ee-yes, sir, if you please."

An Iowa agriculture paper recently received contains a slanderous paragraph on the Oregon hog, alleging that the typical porker of this State is the scrubstink kind of a Missouri scrub.

The general appropriation bill passed by the last legislature foots up \$28,633, \$16,000 of which is devoted to the payment of the expenses of the special session of the legislature.

The Philadelphia Press, Republican, says: "The fact is, men and brethren, this country is getting a little too much war history from fellows who didn't do any of the fighting."

The German population of the United States is over twelve million and German newspapers are published in nearly every state and territory.

#### Proper Treatment for Coughs.

That the reader may fully understand what constitutes a good Cough and Lung Syrup, we will say that Tar and Wild Cherry is the basis of the best remedies yet discovered. #### Cure For Piles.

Piles are frequently preceded by a sense of weight in the back, limbs and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulence, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, bleeding and itching piles yield at once to the application of Dr. Ross's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching and effecting a permanent cure. Price 50 cents. Address the Dr. Ross's Medicine Co., Piqua, Ohio. Sold by Osburn & Co. and W. S. Lee, of Junction.

### KING'S EVIL

Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that

### SCROFULA

can only be cured by a thorough purification of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its earlier symptomatic developments are Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas, Purulent Ulcers, Nervous and Physical Collapse, etc. If allowed to continue, Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases, Tubercular Consumption, and various other dangerous or fatal maladies, are produced by it.

### Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so effective an alterative that it eradicates from the system Hereditary Scrofula, and the kindred poisons of contagious diseases and mercury. At the same time it cures and vitalizes the blood, restoring healthy action to the vital organs and rejuvenating the entire system. This great

is composed of the genuine *Honduras Sarsaparilla*, with *Yellow Dock*, *Sida*, *Ligustic*, the *Iodides of Potassium and Iron*, and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe *AYER'S SARSAPARILLA* as an

### Absolute Cure

For all diseases caused by the vitiation of the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best blood purifying medicine, in the world.
