

Shocking.  
A famous dinner giver in Richmond Va., was giving a particularly well dinner to a party of distinguished people, and being short of a dinner-room servant, hired a noted head waiter to officiate. When the ham was placed on the side table to be carved, the head waiter, full of the importance of his position, sang out:  
"Now, gents, which one of you says ham?"  
The host, speechless with disgust, rose, and, seizing the astonished darkey by the scuff of the neck, shot him out of the room and then, with an urbanity that was immense, resumed his duties as the most admirable of hosts.

Cleveland has been doing to some offensive partisans in office what little Johnny Fizzlepop out in the country did to the hen. Johnny wrote home:  
"I cut off Uncle William's hen's head yesterday with a hatchet and it scared her plum to death."  
There is a difference, however. The officeholder whose head is cut off keeps on making a noise. The hen is silent.

Times are pretty hard with some of the small brokers in the new Chicago Board of Trade district. A deaf and dumb man went into an office in the Open Board of Trade building the other day, and, seizing a paper wrote: "I am hungry." The broker took the piece of paper, read the unhappy words, and scrawled under them: "So a n I."

"Heads and Faces; How to Study Them," is a pamphlet with 188 illustrations, recently published. The best way to study heads and faces, and the pleasantest way, too, is when they are attached to well dressed young women. No other method is likely to become popular.

Judge—John Henry, do you take this woman to be your wedded wife?  
Bride—So, you ask him if he takes me to be his wife? I guess you had better ask me if I take him. He's only an editor, and I have got forty dollars laid up.

**WORTHY**  
Of Confidence.  
**AYER'S Sarsaparilla** is a medicine that, during nearly 40 years, in all parts of the world, has proved its efficacy as the best blood alterative known to medical science.  
**SARSAPARILLA** (extracted from the root of the genuine Honduras Sarsaparilla) is its base, and its powers are enhanced by the extracts of Yellow Dock and Sillingtonia, the Iodides of Potassium and Iron, and other potent ingredients.  
**IS** your blood vitiated by derangements of the digestive and assimilatory functions? Is it tainted by Scrofula? or does it contain the poison of Mercury or Contagious Disease?  
**THE** leading physicians of the United States, who know the composition of **AYER'S SARSAPARILLA**, say that nothing else so good for the purification of the blood is within the range of pharmacy.  
**ONLY** by the use of this remedy is it possible for a person who has corrupted blood to attain sound health and prevent transmission of the destructive taint to posterity.  
**THOROUGHLY** effective renovation of the system must include not only the removal of corruption from the blood, but its enrichment and the strengthening of the vital organs.  
**RELIABLE** witnesses, all over the world, testify that this work is better accomplished by **AYER'S SARSAPARILLA** than by any other remedy.  
**BLOOD** that is corrupted through disease is made pure, and blood weakened through diminution of the red corpuscles is made strong, by **AYER'S SARSAPARILLA**.  
**PURIFYING** the blood and building up the system require time in serious cases, but benefit will be derived from the use of **AYER'S SARSAPARILLA** more speedily than from anything else.  
**MEDICINE** for which like effects are falsely claimed, is abundant in the market, under many names, but the only preparation that has stood the test of time, and proved worthy of the world's confidence, is
