

Twenty Miles for a Cent.

An old miser named James Walker died at his home in Union county, Ohio, on the 13th inst., possessed of a fortune of more than \$20,000 that is known of, and there is perhaps, more to be discovered. He was a bachelor, and one of the very peculiar specimens of humanity. He lived in a little log hut, and in the Summer season lived principally on clover and bran. He spent most of his time in Winter in bed and ate raw corn meal to save the expense of fuel. Once, some years ago, he walked to the bank in Cadiz with coupons on \$15,000 Government bonds which he had cashed, and then walked to Wheeling to deposit the amount. He was dressed only in blue-cotton pantaloons, brown muslin shirt and straw hat—not another garment, and he walked the whole forty miles barefooted. During the last two years he has been very feeble, and a sister cared for him. He had apparently a sound mind, and was credited with being shrewd in business transactions. A mistake on one cent in his cash and tax receipts only two years ago caused him to walk twenty miles back to the County Treasurer's office, which was given by the Treasurer out of his own pocket to avoid controversy, but so enough, there was a mistake in the cash account that night. He was a well-known character throughout Belmont, Jefferson and Harrison counties.

Two clergymen have been selected as arbiters of the great strike of coal miners near Pittsburg—a Catholic priest and a Presbyterian minister.

KING'S EVIL

Was the name formerly given to Scrofula, because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that

SCROFULA

can only be cured by a thorough purification of the blood. If this is neglected, the disease perpetuates its fatal through generation after generation. Among its earlier symptomatic developments are Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas, Purulent Ulcers, Nervous and Physical Collapse, etc. If allowed to continue, Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases, Tubercular Consumption, and various other dangerous or fatal maladies, are produced by it.

Ayer's Sarsaparilla

Is the most powerful and always reliable blood-purifying medicine. It is so effective an alternative that it eradicates from the system Hereditary Scrofula, and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great

Regenerative Medicine

Is composed of the genuine Honduras Sarsaparilla, with Yellow Dock, Sill-linia, the Iodides of Potassium and Iron, and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA.

Absolute Cure

For all diseases caused by the vitiation of the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best blood purifying medicine, in the world.

Ayer's Sarsaparilla,

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. [Analytical Chemists.] Sold by all Druggists: Price \$1; Six bottles for \$5.
