MINING NEWS.

From the Baker City Reveille: The Virtue mine will soon be in running order . . . Many of our citizens are contemplating a prospecting tour in the hills this season. We understand that the placer claims taken up on Pritchari creek last summer are paying well ... J.

A. Wright is over from Connor creek placer mines and reports everything lovely over there....Prospectors are arriving daily from all points. They find plenty to keep them busy in the hills right around Baker City.... We were this week shown some very fine samples of free-milling ore taken from new finds in the Pocahontas mining district The French company's twenty-stamp mill on the road from this city to Canyon

City is nearly ready for business. It is

only twenty miles from Baker City... W. Lemasters tells us that he will start up the arastra next week on his claim near Pochahontas. He thinks he has the best mine in the country ... Many rich discoveries of quartz have and are being made on Pine creek, nine miles west of this city. We will have more to say about them in the future. ... Boreman & Co.'s mine, situated in the Virtue mining district, is running on full time, and we hope to see this placer mine pay as well this spr ng as it has previously done....John Landry & Co. commenced work in their placer claims, on Trail creek, yesterday. They expect to have an abundance of water, as the snow on the surrounding mountains is six feet deep We are informed that some parties have employed experienced California prospectors to scour the Pocahontas mountains in search of ledges. Nothing pays a business man better than to stand in with the prospector. . . . Last week Mr. J. H. Mitchell, of this city, showed us a

lot of fine specimens of quartz taken from ck, six times a week, in steamboat, his discovery situated some ten or fifteen miles south of this city.
