instruction to postmasters concerning and preparatory to putting into operation, Oct 1st, the Act of August 4, 1384, author-

zing the extension of the special delivery system to all post offices and to all mailable matter. The circular provides that every post office in the United States and Territo ries, and District of Columbia, now estab-lished, and which shall be established while the foregoing Act remains, is hereby designated as a special delivery office. These regulations take effect October 7, 1886, after These which date every postmaster will be held responsible for the immediate delivery of every article of mailable matter which may be received, addressed to his office properly, and stamped with the special delivery stamp. Such immediate delivery must be made when the article is directed to an addressee reaiding or having a place of business within

one nule of the postoffice.) The circular is a long one and fully explains every detail of the new system. Every complaint of failure to comply with the provisions of the Act, will promptly be investigated and the responsibility followed with proper consequences.
