

The Portland dudes, known as the Oregon State Militia, are making an effort to have the next Legislature grant them a "salaway, yo know." We have a painful recollection of the "Malish." A drove of them, hailing from Albany, once invaded this section, "hunting Indians," and they did more damage to the people here than three Indian raids. If they are paid a salary we hope it will be enough to keep them in Portland or the penitentiary.—Ochoco Review.

Lord Rothchild tried to induce Sarasate, the Spanish violinist, to play at a musical entertainment in his London house recently, but the musician's terms were so high that even the modern Czar decided to dispense with his services. The truth about Sarasate is that he dislikes so much to exhibit himself at these private entertainments that he will ask a most exorbitant price rather than give a blunt refusal.

Notice for Publication.

LAND OFFICE AT ROSEBURG, OR., June 23, 1886.

NOTICE IS HEREBY GIVEN THAT the following named settler has filed notice of his intention to make final proof in support of his claim, and that said proof will be made before the Clerk of the County Court of Lane County, Or., at Eugene City, Or., on Wednesday, Aug. 4, 1886, viz: Orrin Andrews, Cure For Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blinit, bleeding and itching piles yield at once to the application of Dr. Ross's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching and effecting a permanent cure. Price 50 cents. Address the Dr. Ross's Medicine Co., Elgin, Ohio. Sold by Osburn & Co. and W. S. Lee, of Junction.

That the reader may fully understand what constitutes a good Cough and Lung Syrup, we will say that Tar and Wild Cherry is the basis of the best remedies yet discovered. These ingredients, with several others equally as efficacious, enter largely into Dr. Ross's Cough and Lung Syrup, thus making it one of the most reliable now on the market. Price 50 cents and \$1. Samples free. Sold by Osburn & Co. Eugene; W. S. Lee, Junction.

A Safeguard.

The fatal rapidity with which slight Colds and Coughs frequently develop into the gravest maladies of the throat and lungs, is a consideration which should impel every prudent person to keep at hand, as a household remedy, a bottle of AYER'S CHERRY PECTORAL. Nothing else gives such immediate relief and works so sure a cure in all affections of the chest. That eminent physician, Prof. F. Sweetzer, of the Maine Medical School, Brunswick, Me., says:—"Medical science has produced no other anodyne expectorant so good as AYER'S CHERRY PECTORAL. It is invaluable for diseases of the throat and lungs."

The same opinion is expressed by the well-known Dr. L. J. Addison, of Chicago, Ill., who says:—"I have never found, in thirty-five years of continuous study and practice of medicine, any preparation of so great value as AYER'S CHERRY PECTORAL for treatment of diseases of the throat and lungs. It not only breaks up colds and cures severe coughs, but is more effective than anything else in relieving even the most serious bronchial and pulmonary affections."

AYER'S Cherry Pectoral

Is not a new claimant for popular confidence, but a medicine which is to-day saving the lives of the third generation who have come into being since it was first offered to the public.

There is not a household in which this invaluable remedy has once been introduced, where its use has not been abandoned, and there is not a person who has ever given it a proper trial for any throat or lung disease, susceptible of cure, who has not been made well by it.

AYER'S CHERRY PECTORAL has, in innumerable instances, cured obstinate cases of chronic Bronchitis, Laryngitis, and even acute Pneumonia, and has saved many patients in the earlier stages of Pulmonary Consumption. It is a medicine that only requires to be taken in small doses, is pleasant to the taste, and is needed in every household where there are children, as there is nothing so good as AYER'S CHERRY PECTORAL for treatment of Croup and Whooping Cough.

These are all plain facts, which can be verified by anybody, and should be remembered by everybody.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass.

MIDDLEAGED MEN.

There are many at the age of thirty to forty who are troubled with too frequent evacuations of the bladder, often accompanied by slight smarting or burning sensation, and weakening of the system in a way that cannot account for. On examining the urine deposits aropy sediment will often be found and sometimes small particles of albumen will appear, or the color will be of a thin, white hue, again changing to a dark and turbid appearance. There are many men who are suffering from this difficulty, ignorant of the cause, and in the second stage of seminal weakness. We will guarantee a perfect cure in such cases and a healthy restoration of the genito-urinary organs.
