 Strange Disease Among Hooded Stork.  
 The farm of Ludwig Laux, near Port Jervis, N. Y., is studded with fine high-bred cattle and horses. A few days ago one of a matched pair of horses was suddenly affected with a swelling in the glands of the throat. The swelling increased rapidly, and the horse died in a few hours. Before it died its mate was seized with the same symptoms, and died in a short time. About the same time five out of Mr. Laux's herd of dairy cows died one after another. They were all apparently in the best of health, but were suddenly prostrated and died soon afterward. One of the dead cows was dissected. The spleen was found to be swollen to twice its usual size and filled with blood.

 Do You Suffer from Constipation?  
 Testimony of HIRSH WARRER, Chief Justice of Cal.: "I have used Simmons' Liver Regulator for Constipation of my Bowels, caused by a temporary Derangement of the Liver, for the last three or four years, and always with decided benefit."  
 Have You Malaria?  
 I have had experience with Simmons' Liver Regulator since 1845, and regard it as the greatest medicine of the times for diseases arising from a disarranged state of the Liver. So good a medicine deserves universal commendation.  
 REV. M. B. WHARTON, Cor. So. 5th and Baptist Theological Seminary.  
 Safer and Better than Calomel!  
 I have been subject to severe spells of Congestion of the Liver, and have been in the habit of taking from 15 to 20 grains of calomel, which generally proved me up and down in one or two days. Lately I have been taking Simmons' Liver Regulator, which gave me relief, without any interruption to business.
