

No Marriage in Church for Him.

"If I ever get married in church again you can call me a goat," said a bashful man the other day. "What's the matter now?" "Matter enough," he retorted; and he seemed to get mad as he thought of it. "I was married not long ago, and as my wife's parents were pillars of the church it had to come off there, so they thought. Well, some repairs were being made in the church, so the marriage took place in the Sunday School room. There's where the trouble came in. We stood on the platform where the Superintendent's desk stood, and before the minister got started I noticed a good many people smiling in the audience. I didn't know what to make of it. They all seemed to be looking over my head. I never said anything till the thing was done; then I turned around and looked up. What do you think I saw? One of those confounded mottoes, hanging right over our heads, and it said: 'Suffer little children to come unto me.' Isn't that enough to make a man mad?"

The Australians are filling a want long felt by organizing an expedition in search of the South Pole. That Pole has been greatly neglected.

Cure For Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulence, uneasiness of the stomach, etc. A moisture, like perspiration, protruding a very disagreeable itching, after getting warm, is a common attendant. Blood, bleeding and itching piles yield at once to the application of Dr Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the tumor, allaying the intense itching and effecting a permanent cure. Price 50 cents. Address the Dr Bosanko Medicine Co, Piqua, Ohio. Sold by Osburn & Co. and W. S. Lee, of Junction.

Syrup of Figs.

Sold by Osburn & Co, Eugene; W S Lee, Junction.

Proper Treatment for Coughs.

That the reader may fully understand what constitutes a good Cough and Lung Syrup, we will say that Far and Wild Cherry is the basis of the best remedies yet discovered. These ingredients, with several others, equally as efficacious, enter largely into Dr Bosanko's Cough and Lung Syrup, thus making it one of the most reliable now on the market. Price 50 cts and \$1. Samples free. Sold by Osburn & Co, Eugene; W S Lee, Junction.

ROBUST HEALTH

Is not always enjoyed by those who seem to possess it. The taint of corrupted blood may be secretly undermining the constitution. In time, the poison will certainly show its effects, and will have more virulence the longer it has been allowed to permeate the system. Each pimple, sty, boil, skin disorder and sense of unnatural lassitude, or languor, is one of Nature's warnings of the consequences of neglect.

Ayer's Sarsaparilla

Is the only remedy that can be relied upon, in all cases, to eradicate the taint of hereditary disease and the special corruptions of the blood. It is the only alternative that is sufficiently powerful to thoroughly cleanse the system of Scrofulous, Mercurial impurities and the pollution of Contagious Diseases. It also neutralizes the poisons left by Diphtheria and Scarlet Fever, and enables rapid repurification from the embrocation and debility caused by these diseases.

Myriads of Cures

Achieved by AYER'S SARSAPARILLA. In the past forty years, are attested, and there is no blood disease, at all possible of cure, that will not yield to it. Whatever the ailments of this class, and wherever found, from the scurvy of the Arctic circle to the "welts-springs" of South Africa, this remedy has afforded health to the sufferers by whom it was employed. Druggists everywhere can cite numerous cases, with their personal knowledge, of remarkable cures wrought by it, where all other treatment had been unavailing. People will do well to

Trust Nothing Else

than AYER'S SARSAPARILLA. Numerous crude mixtures are offered to the public as "blood purifiers," which only allure the patient with the promise of many cheap doses, and with which it is folly to experiment while disease is steadily becoming more deep-seated and difficult of cure. Some of these mixtures do much harm. Beware in mind that the only medicine that can radically purify the vitiated blood is
