How Regarded by a Prominent Physician.

"No other remedy within my knowledge can fill its place. I have been practicing for twenty years, and have never been able to put up a vegetable compound that would, like Simmons' Liver Regulator, promptly and effectually move the liver to action and at the same time aid (instead of weakening) the digestive powers of the system.—L. M. HISTOR, M. D., Washington, Ark."

THE GREAT REGULATOR

Are You Bilious?

The Regulator never fails to cure. I most cheerfully recommend it to all who suffer from Bilious Attacks or any Disease caused by a disarranged state of the Liver.

Do You Want Good Digestion?

I suffered intensely with Full Stomach, Headache, etc. A neighbor, who had taken Simmons' Liver Regulator, told me it was a sure cure for my trouble. The first dose I took relieved me very much, and in one week's time I was as strong and hearty as ever was. It is the best medicine I ever took for Dyspepsia.

Do You Suffer from Constipation?

Testimony of HIRSH WASSER, Chief-Justice of Ga.: "I have used Simmons' Liver Regulator for Constipation of my Bowels, caused by a temporary Derangement of the Liver, for the last three or four years, and always with decided benefit."

Have You Malaria?

I have had experience with Simmons' Liver Regulator since 1855, and regard it as the greatest medicine of the times for dyspepsia, constipation, biliousness, etc. So good a medicine deserves universal commendation.

Safer and Better than Calomel!

I have been subjected to severe spells of Congestion of the Liver, and have been in the habit of taking from 15 to 20 grains of calomel, which generally laid me up for three or four days. Lately I have been taking Simmons' Liver Regulator, which gave me relief, without any interruption to business.
