Monday morning a writ of habeas corpus was sworn our making the same returnable before Judge Washburne. Tuesday morning. After hearing argument on the writ the Judge remanded the prisoner to the charge of the Deputy Sheriff of Crook county, who started with him for Prineville, where he will be given a preliminary examination. The officer from Crook county, says the man was arrested upon suspicion. Several parties were here from Prineville to recover possession of the borses alleged to have been stolen, but there was not ons of them who would awear to the identity of the animals, hence the purchasers here still retain them.
