The Tale of a Fish.

When a man doth wish to angle,
A hook like this he loves to dangle:

J

He has a line so good and strong,
And catches a fish about so long:

Before he gets home the fish doth grow (?)
And he tells his friends that it stretched out so:

But his friends who have a-fishing been,
Know that the man has lied like sin,
And they simply sit and smile and grin.

A Wonderful Awakening.

First College Man—Had any fun hazing freshmen this year?

Second College Man—Well, no. You see at our college we came to the conclusion that hazing was a relic of barbarism and so we voluntarily abandoned it.

"Queer! Where are most of the new men from this year?"

"Well, a good many are from Texas."—Omaha World.

A witness at the trial of a Bavarian editor for libel swore that he heard the ex-King Ludwig, who committed suicide after he was deposed, say: "I will not suffer them to declare me a madman like my brother Otto, whose keepers beat him with their fists. I will rather suffer death. My blood be upon those conspiring to betray me." The Czar of Russia, it is reported lately killed an aid-de-camp, whom he thought was menacing his life. The life of a king it may be seen is sometimes more wretched than that of a common tramp.

Hon. James B. Belford has been repeatedly elected to Congress by the Republicans of Colorado. He has grown tired of the wicked ways of Colorado Republicans and joined the Democratic party and the total abstinence league. Sensible man to thus reform two good habits at once.

It is announced that Col. R. J. Ingersoll is afflicted with a cancer resembling that which caused the death of Gen. Grant; and it is developing so rapidly as to give indications that he cannot live beyond a few months.

ROBUST HEALTH

Is not always enjoyed by those who seem to possess it. The taint of corrupted blood may be secretly undermining the constitution. In time, the poison will certainly show its effects, and with all the more virulence the longer it has been allowed to permeate the system. Each pimple, sty, boil, skin disorder and sense of unnatural lassitude, or languor, is one of Nature's warnings of the consequences of neglect.

Ayer's Sarsaparilla

Is the only remedy that can be relied upon, in all cases, to eradicate the taint of hereditary disease and the special corruptions of the blood. It is the only alterative that is sufficiently powerful to thoroughly cleanse the system of **Scrofulous** and **Mercurial** impurities and the pollution of **Contagious Diseases.** It also neutralizes the poisons left by **Diphtheria** and **Scarlet Fever,** and enables rapid recuperation from the enfeeblement and debility caused by these diseases.

Myriads of Cures

Achieved by AYER'S SARSAPARILLA, in the past forty years, are attested, and there is no blood disease, at all possible of cure, that will not yield to it. Whatever the ailments of this class, and wherever found, from the scurvy of the Arctic circle to the "veldt-sores" of South Africa, this remedy has afforded health to the sufferers by whom it was employed. Druggists everywhere can cite numerous cases, within their personal knowledge, of remarkable cures wrought by it, where all other treatment had been unavailing. People will do well to

Trust Nothing Else

than AYER'S SARSAPARILLA. Numerous crude mixtures are offered to the public as "blood purifiers," which only allure the patient with the pretense of many cheap doses, and with which it is folly to experiment while disease is steadily becoming more deep-seated and difficult of cure. Some of these mixtures do much lasting harm. Bear in mind that the only medicine that can radically purify the vitiated blood is
