Teachers Institute.

(Continued from last week.) The next Institute will be held at Roseburg FRIDAY.

Morning session opened at 9:30. T M Martin introduced the subject of Cancellation, whence arose the question as to the advisability of committing rules, which was advocated by Profs Johnson, Kendall, Reid, J E Feuton and E E Orton, and disproved by Prof Rigler. Prof Burnham concluded the discussion.

An excellent essay, entitled The Intermediate Grade, was read by Mrs J it Horner. Superintendent McElroy discussed the methods of teaching Physiclogy and Hygine, urging upon teachers the necessity of preparing themselves upon this important branch. Prof Kendall favored instructing pupils in this branch while very young. Prof Horner favored following the methods of the text books, urging that those who had given a life to the study certainly knew the best

THE O. & C. SALE, -Senator Stanford said to-day that the Southern Pacific company would soon come into possession of the Oregon & California railroad. The road is now in the hands of a receiver, and the fact that its con-trol to the extent of its sale is not in a few hands, has delayed the transfer of it to the hands, has delayed the transfer of it to the Southern Pacific, but negotiations had been successfully carried on for some time, and unless some unforescen obstacle arises, the Southern Pacific will get the road. Among feeders that it is proposed to build to the Southern Pacific in California, is a line from Willows into Humboldt county.—Wednesday's Washington special to the Oregonian.
