

Know What War Is.

"Was I in the war?" said Tralalou in amazement. "By jove, I was right at the front and in the midst of it all the time. I sang tenor in a church choir for six years. War? That was nearly fifty years ago and—do you see that boy over the way throwing stones at my two little granddaughters for calling him names? Well, sir, that boy is the alto's grandson. I should say war!" And as the friend passed on the old man looked cautiously up and down the street and then fired a piece of brick at the boy that caught him amidst and knocked all the wind out of him in a wild, despairing howl that brought a sweet-faced, white-haired old lady and a cister-pole thirteen feet long out of a side door and down the street, and before the patrol-wagon could catch up with them she had broken two of the old gentleman's ribs and pushed his nose away over to one side of the face. "I know him," said she to the sergeant who arrested her, "I know him of old. He used to sing flat in 'Northfield' fifty years ago."

General Chamberlain, of Maine, another distinguished Union soldier, declares that the President's veto of the Indigent Pension bill is supported by the honest sentiment of the country. There is not really a doubt of it.

Cure For Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulence, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, bleeding and itching piles yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching and effecting a permanent cure. Price 30 cents. Address the Dr. Bosanko Medicine Co., Piquette, Ohio. Sold by Osburn & Co. and W. S. Lee, of Junction.

Wire and Picket Farm Fence and Machine for its Manufacture.
The Cheapest and Most Perfect Fence in Use.
Pig Tight, Horse High, Cattle Strong; STEEL & WOOD INTERWOVEN.
We use from six to eight wires interwoven solidly, with from forty to forty five light wooden slats to the rod, thus producing a fence that will hold all stock, from the smallest pig to the largest beast.
It is the most durable fence made, as the slats are in a vertical position, clear of the ground. There are no bars to cut or maim stock or tie the wool from your sheep. It is as visible to the eye as a board fence and ten times as strong. It will stand a side pressure of from 12,000 to 15,000 pounds.
It is woven or manufactured on the press. One man and a boy can build from 40 to 60 rods in a day. Farmers can build their own fence and use material that would otherwise be lost or used as fuel, and thus save from \$100 to \$150 per mile.
We can refer to thousands of farmers in Kansas, Iowa and Missouri who are using our fence. We feel great pleasure in presenting this fence to the farmers of Lane County, filling as it does a want long felt. Being practical farmers we know what we say.

CURES
Sciatica, Sprains, Contracted Muscles, Lumbago, Rheumatism, Strains, Eruptions, Burns, Stitches, Hoof All, Stiffs Joints, Screw Worms, Stings, Backache, Swinney, Bites, Galls, Saddle Galls, Bruises, Sores, Saddle Galls, Corns, Spavin, Piles, Cracks.

THIS GOOD OLD STAND-BY accomplishes for everybody exactly what is claimed for it. One of the reasons for the great popularity of the Mustang Liniment is found in its universal applicability. Everybody needs such a medicine. The Lumberman needs it in case of accident. The Housewife needs it for general family use. The Cannier needs it for his teams and his men. The Mechanic needs it always on his work bench. The Miner needs it in case of emergency. The Pioneer needs it—can't get along without it. The Farmer needs it in his house, his stable, and his stock yard. The Steamboat man or the Boatman needs it in liberal supply aboard and ashore. The Horse-fancier needs it—it is his best friend and safest reliance. The Stock-grower needs it—it will save him thousands of dollars and a world of trouble. The Railroad man needs it and will need it so long as his life is a round of accidents and dangers. The Backwoodsman needs it. There is nothing like it as an antidote for the dangers to life, limb and comfort which surround the pioneer. The Merchant needs it about his store among his employees. Accidents will happen, and when these come the Mustang Liniment is wanted at once. **Keep a Bottle in the House.** 'Tis the best of economy. **Keep a Bottle in the Factory.** Its immediate use in case of accident saves pain and loss of wages. **Keep a Bottle Always in the Stable for use when wanted.**
