The Examiner.

The newsiest, the most enterprising, the reading session will hardly prove an exception to the rule. All subjects pertaining to the good of Oregon schools have been repeatedly discussed, and it is believed that as largest and the best newspaper on the coast is the San Francisco Examiner. A per-fect encyclopedia and history of one days events of the world is the The Daily Examiner. We commend the Examiner, quote it and read it through from cover to cover, and know whereof we speak when we say it is miles and miles ahead of any other paper in San Francisco and the equal of the best pa-pers in the country. See terms in another

Chicago and Northwestern

Stealing quietly westward from Fort Fet-terman the sixth transcontinental line of railway is attracting little attention; but al-though there is no flourish of trumpets the work goes steadily on. The Chicago & Northwestern railway company which has the enterprise in hand, has recently con-tracted for 160,000 tons of steel rails, the town. hungry. greater part of which, according to the state-ment of its officials, is to be used in new mil-Work was abandoned on the line west of Fort Fetterman last winter, but it was again resumed on the 1st inst. There can no longer be any doubt that the object night train. the streets Wednesday. of the company in building westward through Wyoming and Idaho is to reach the

Pacific coast. The line, as newly surveyed, will cross the Snake river near Eagle Rock, many friends Thursday. T., and run thence in a nearly direct line to Boise City, there to connect with the Oregon Pacific, in which the Northwestern's stockholders are deeply interested. Mean-while the work on the Oregon Pacific eastdown the road on Thursday's train. ward is being quietly but none the less Milliorn is the latest transfer of property, effectively prosecuted. Contracts have been let for the building of 120 miles of track Many sympathetic expressions for the loss of his wife at Philomath are expressed for this year. The extent of completed line will Frank Owen. remove the eastern terminus from Albany, Or., to Camp Polk, in the same state. It is a big undertaking for a Co. like that of the Clark F, is among us. Oregon Pacific to build a line to Boise City, Mrs. C. W. Washburne has gone East to visit indifinitely. Her daughter-in-law, Mrs. George, spent Sunday last in town. but if Northwestern capital is behind it there can be no doubt of its ability to do so. It is the confident prediction of a well known railroad official that the Northwestern will be running trains to the Pacific coast be-fore the end of the year 1889. One indication of this is that the company ulty that makes friends. has recently contracted for the delivery of 3000 freight cars and a large number of new

ocomotives and passenger cars. There is every reason to believe, says the Chronicle, that the Chicago & Northwestern railway is heading for the Pacific Coast coming directly west from Fort Fetterman, Wyoming territory, through Idaho and Nevada. The Northwestern people are rapid and daring builders, and they may fulfill their boast that they will be running trains into San Francisco as quickly as the Santa

Commissioners Court.

The Commissioners Court met at the Court House in this city Wednesday morning. Officers present: Commissioners Green and Day, Sheriff Sloan and Clerk

The following proceedings were had: In the matter of survey of county road in upper Mohawk precinet: Ordered that J A Ebbert, Presley Comegys and B F Powers be appointed viewers and C M Collier surveyor to meet June 21, 1887.

In the matter of the petition of Leopold Sarno for road of public easement; ordered B B Scott and J F Weeks be appointed viewers to meet May 21, 1887.

In the matter of the survey of the Judkins coint road; John Kelly, J W Stewart, and Point road; John Kelly, J W Stewart, and Wm Smith viewers and C M Collier surveyor to meet June 20, 1887.

At this time the court appointed C R Sylvester Justice of the Peace for Jasper pre-cint until the next general election. At this time the court appointed supervisors for the year 1887 as follows: L P Faw-ver 4, J A Stevens 7, J F Kirk 40; David
