A. V. Peters, Agent, Eugene,

As Good as a U. S. Government Bond.

A policy in the State Insurance Company of Salem, Oregon, in case of an honest loss is as good as a U. S. Government Bond. It has nearly one-quarter of a million of clean, first-class available assets, all of which is held in this State, for the payment of losses in Oregon and Washington Territory. It has paid losses in nearly every locality in the Pacific Northwest. Its payments have been prompt, clean and honest. It issues the best and most liberal policy that is to-day issued in Oregon. This policy contains no 90 or 90 days clause, (which causes a delay of that time in payment of losses, or a deduction for interest.) It is, we believe, the only policy issued in Oregon that does not contain such a clause. It contains no two-thirds or three-fourths clause. It promises in the policy to pay the full loss up to the amount insured, and in case the agreed or appraised loss is less than the amount insured it agrees to return the unearned premium upon the excess. It is the only company doing business in Oregon, we believe, that so agrees in its policy.

Its officers and managers are from among the ablest, most successful and honorable business men in this State, and are well known to our people as such. It does not attempt to build itself up by depriving its rivals, but quietly attends to its own business—which takes all of its time—preferring to leave such methods to the irresponsible and jealous representatives of certain rivals, simply saying that there is not an honorable, honest and responsible man or newspaper in Oregon, (which knows anything of its financial condition) that will, or ever has said, but that the State Insurance Company possesses all that it claims to possess and is a perfectly responsible, trustworthy and prompt paying institution.

All of its policies provide that in case there is any difference of opinion as to the amount of any loss the matter may be left to disinterested and competent arbitrators.

The State Insurance Co. pays this year between one and two thousand dollars taxes in Oregon, and it is the only Fire Insurance Company doing business in this State that pays a dollar tax in Oregon, with the exception only of two other local companies.

These are facts that are indisputable, and should convince every intelligent and reasonable man who is at all interested in the growth and development of Oregon and reliable Oregon institutions, that it is to his interest to patronize the State Insurance Co. in preference to any and all others. ml-1-87

For Sale.

Having lately engaged in the flouring mill business which now occupies my whole time and attention I now offer for sale at a bargain:

1 valuable saw mill.

1 second hand traction engine.

1 second hand portable engine.

1 second hand binder and other farm imple-

ments. Also in quantities to suit, 1000 acres of farm land embracing level river bottom, level prairie, and upland prairie land. Also some brush and timber land.

R. V. HOWARD,
Junction City, Ore.

Farm for Sale.

I have for sale 220 acres of land known as the Gillilan farm; 25 acres good timber and the remainder all prairie. All under fence; good house and barn; good orchard and other improvements. The place has an abundance of good spring water and is situated one-fourth mile from the Pleasant Hill school house, one of the best school districts in the county. For further particulars apply to

T. G. HEDGECOCK.

Delays are Dangerous.

You say, well, 'tis only a slight cold, look out, it may lead to an inflammation of the lining of numerous air cells of the Lungs this is Pneumonia. Or to spasmodic contractions of the fibres of the air passages, which is Asthma; or the inflammation of the lining membrane of the throat and tubes which pass through the Lungs, which in the first stage is called Bronchitis, and may lead to consumption. Santa Abie is delicious in flavor, certain and perfect in its result. A few doses will relieve, a thorough treatment cure the above named diseases. Every bottle warranted by all druggists.

What is It?

That produces that beautifully soft complexion and leaves no traces of its application or injurious effects? The answer, Wisdora's Roborant accomplishes all this, and is pronounced by ladies of taste and refinement to be the most delightful toilet article ever produced. Warranted harmless and matchless. F. M. Wilkins, agent, Eugene City.

FIRST-CLASS STOCK.—Mr. James Bates has one of the best jacks in the State of Oregon. He now proposes to breed mares to him for the sum of \$12. Further he will pay \$30 for every colt at the age of five months sired by his jack and throw in the price of service. This beats any offer ever made in Lane county. Call on or address Mr. Bates at Stewart's stable, Eugene City, Oregon.

Geo M Miller will furnish information and sell farm rights for the combined wire and picket fence during our absence.
