Good News.

We have reliable information from the very best authority that all of the Oregon Pacific's old debts, which mean all debts up to April 1, 1887, will be paid by the company on or about the 20th of the coming mouth of July in full. Therefore we advise all persons holding these claims not to be mislead 'into discounting them.

We have never doubted the ultimate set tlement of these claims in full and are glad to verify the confidence we have reposed. At this moment the company is paying all April and May accounts

The company have commenced fencing the road between Albany and Yaquina. Fencing on each side of the road is completed to To ledo and will be continued over its entire length. The company are also making arrangements for replacing the fir ties near Yaquina, where they are much given to rapid decay, by redwood ties from California.

Bridge work on the South Santiam is progressing and proposals are now being received for the construction of the road to a point beyond the summit of the Cascades, the track materials for which are now being moved from San Francisco. This is not all the road proposed to be constructed this summer, but aly the first section of it. There is at Sar Francisco iron for 148 miles, which is now being moved to Yaquina.—Benton Leader.

HIS WHEREABOUTS .- Several weeks ago an account of the disappearance of John Hawk. from Coburg, Lane county, was published, school will bear in mind that the time It was firmly believed that he had been holding the same has been changed from murdered. He, at last, however, turns up alive and well in Eastern Oregon. Information of his whereabouts was obtained from a private letter which locates him in Umatilla county. The letter was written to a gentleman in Portland and sent by him to G. R. Ward of Coburg. His object in leaving so quietly is not known.—Portland Oregonian.
