It is the most durable fence made, as the slats are in a vertical position, clear of the ground. There are no barbs to cut or main stock or tear the wool from your sheep. It is as visible to the eye as a board fence and tentimes as strong. It will stand a side pressure of from 12,000 to 15,000 pounds.

It is woven or manufactured on the posts. One man and a boy can build from 40 to 60 rods in a day. Farmers can build their own fence and use material that would otherwise be lost or used as fuel, and thus save from \$100 to \$150 per mile.
