HOGAN AND BEATTY ABBESTED-MES. MOGAN GOES SHOPPING AND TAKES A TRIPLE OF \$2,000 ALONG TO BUY GIMCHACKS WITH. IT USED TO BE LANE CO. MONEY.

Sheriff Sloan left last night to bring Hogan and Beatty from San Francisco, where they had been arrested on a warrant sworn out by Mr Jeff Yates of Irving. These are the \$15 per bushel wheat speculators and swindlers. If there is any way of getting justice ou these rognes, we hope it will not be omitted. The pententiary holds many honester men than this precious pair. A San Francisco dispatch reads as follows:

Several months ago the farmers of the Wil-

lamette valley were victimized by a crowd of sharpers who called themselves "The Empire Seed Company." These men and the solicitors went through the valley selling wheat at \$15 a bushel, and several of them were arrested, but again released for lack of sufficient evidence. Detectives Leon and Hand-ley arrested Hogan as he was walking down Bush street, at 7:55 Monday evening and a li went over into the river, but as good forfew minutes later brought in a man who gives the name of Chas. Warner. From papers found on the latter, his name is not as he gave it but F. Rhinehardt, under which name he was authorized to solicit for the company. The detectives think neither of these is his right name, as he answers the description of Beatty, whom the prisoner says is in Victoria, B. C. The detectives shadowed Mrs. Hogan from the Russ House, from the safe of which she drew \$2,000 to go hopping with, until she returned to her ho tel. As Mrs Hogan went out immediately after her husband's arrest, it is imposible to ee her. On examination I found that he had inflamation of the bowels and dropsical complaint, and I think his death was caused from the above plaints and the want of proper care which he could not have, he being alone. He was neglected by his employer, which, indirectly,

was the cause of his death. We, the undersigned jurors, summoned to inquire into the death of Thos. Bryant, find that his death was caused by dropsical effu-sion and negligence on the part of his em-Lon J Rosenberg Redifer, S Lampshire, C Cronin, J Bennett.
