Bob Had Evidently Had a Few Nips of It. A few days ago Col. Bob Ingersoll sent an

old friend a very old jug of rare whiskey, With it were the following lines in the colonel's well known chirography: "I send you some of the most wonderful

whiskey that ever drove the skeleton from a feast or painted landscapes in the brain of man. It is the mingled souls of wheat and corn. In it you will find the sunshine and the shadow that chased each other over the billowy fields, the breath of June, the carol of the lark, the dews of night, the wealth of summer and autumn's rich content, all golden with imprisoned light. Drink it and you will lear the voice of men and maidens singing the "Harvest Home," mingled with the laughter of children. Drink it and you will feel within your blood the star-led dawns, the

dreamy, tawny dusks of many perfect days. For forty years this liquid joy has been within the happy staves of oak, longing to touch the lips of man."

There is great intensity of the physical condition sometimes, and there are facts which we cannot go behind. In illustra-tion further of facts which settle the points which we tannot go behind. In illustra-tion further of facts which settle the points of a prompt and permanent cure, the fol-lowing cases are cited: In 1884 Mrs. Mary K. Sheed suffered terribly with chronic neuralgia. She writes from 1110 Maryland Avenne, Washington, D. C. In the first in-stance she states: 'I suffered terribly with neuralgia in the face; very severe attack extending to back and shoulders; suffered interseiv. Tried St. Jacobs Oil; hai parts well rubbed at night; in the morning all pain gone, magically.'' June 10, 1887, she writes from 224 Eleventh Street, S. W., as follows: ''Four years ago I sent you a vol-untary certificate setting forth the fact that I had been a great sufferer with neuralgia in my face, neck and shoulders. I obtained a bottle of St. Jacobs Oil, and after three ap-plications I was entirely relieved from all pain and from that time to the present I have never had a return. The effect was minanhous.'' Again, Feb. 6, 1887, Mr. R. G. Troll, St. Lawis, Mo., writes: ''In March, 1881, I suffered terribly with neuralgia; had suffered nearly three years. Applied St. Jacobs Oil at 8.15 A. M.; at 8.40 took the ray off; at 9.4. M. went to work. In less than five minutes after that the pain was gone. The one application cured me. Have not had return of it since.'' Mr. E. My. Spangler, York, Pa., June 17, 1887, writest ''Years ago had neuralgia; am not subject to it now. The cure by the use of St. Jacobs Oil was permanent. There has been no re-currence of the painful affliction.'' Chas, W. Law, Jr., Pottstown, Pa., April 19, 1837, writes: ''Was troubled for years with neu-ralgia in neck and head. Tried St. Jacobs Oil had tried different kinds of remedies without effect. One bothe of the former id the business. No return of pain and aches.'' In
