They were immediately placed in a boat from the Queen manned by Second Officer Olsen, and proved to be First Mate Lewis and Second Mate Charles S. by the commissioner of the land office Pratt. The captain and the second Pacific still hovered around the vessel, all hands keeping an anxious lookout Senator Quay introduced a bill to for those who had not been saved. Another man was picked up in an open boat in a few minutes, but died a short time after being taken to the far as can be ascertained at present, Senator Plumb introduced a bill to the names of the lost are: Purser Evyear of enlistment to all officers of the Thomas Grenor, Cook Jackson, and three others, the last eight being seamen. None of the rescued officers or men can assign any cause for the origin of the fire. When the fire was discovered the men became panicstricken, and the officers could not control them. They jumped into the two boats but the stanchions which Senator Mitchell introduced a bill held them were burning hot, and the lands of the Umatilla reservation be burned away, and one by one the men

on the burning vessel until taken off.

RATHER EXPENSIVE.

Fair Young Decorator's Husband Deals in Facts and Figures.

"What do you think of it?" A young housekeeper was exhibiting an investigator a handsomely decoated plate which leaned against a neat easel on the mantel of her pretty draw-"Beautiful."

"Guess where it came from?"

"France, perhaps." "No. I bought the plate down town

and decorated it myself." "An excellent idea! You can now have as handsome a dinner set as there

is in New York at a mere triffing cost." "That shows what you know about it," interposed the husband of the fair

artist, with just a trace of sadness in his tones. "I don't see why you say so, John,"

retorted the latter. "Let's figure the cost. I probably have kept a closer watch upon that department of the business than you have done "

"Well, begin." "In the first place, the plate itself | scory!"

cost von \$3?" "I know," returned the artist, with an air of triumph; "but you can't cut a decorated plats like that for less than \$5."

"That may be so," continued the husband cruelly.

"Next you bought about an ounce of liquid gold, which cost \$3.75. You used about half that amount." "Not all on that plate, John. You

know I spoiled about as much as I used." "I know you did, my dear, and you ruined about \$3 worth of carpet with the stuff; but I didn't intend to reckon that in this table. Then you bought a it."

book of instruction which cost \$2.50 more. And you took six lessons on the design you painted, at \$1 a lesson. If you paint any more plates, you will treat. Sand-Burr Place or Cucklehave to take more lessons. Isn't that Burr Home-they all got their good

on each plate from this time on." "I haven't mentioned the paints and some time to come in your future work. the cost is:

"That is just shameful, John. You in Chicago Tribune. know my next work won't cost me nearly so much."

"We'll see about that," continued her husband. "Your plate will cost \$3; gold (barring accidents) say \$1, lessons \$2, paint, say \$1, and firing \$1. That makes \$8. Pretty high price to pay for a \$5 plate, ch? This doesn't include the expense of a headache, backache and loss of temper which a painting always produces in you. Neither does it take in the amount of vexation your illness always causes me. No, my friend," added the husband, in conclusion, as he turned to the investigator, "I find it cheaper to buy my china. I am afraid a whole dinner set would leave me nothing to buy food to dine on."- N. Y. Mail and Express.
