

**THE EUGENE CITY GUARD.**

SATURDAY, OCTOBER 27, 1888.

**Democratic Ticket.**

For President: GROVER CLEVELAND, Of New York. For Vice President: ALLEN G. THURMAN, Of Ohio. For Presidential Electors: W. H. EFFINGER, Of Multnomah. E. R. SKIPWORTH, Of Umatilla. W. R. BILYEU, Of Linn.

Col. W. H. Effinger at the Court House this Saturday afternoon at 1:30 o'clock.

**Tariff and Wages.**

"The tariff is purely a question of wages" cry the Republican stump speakers and organs. If so, why are wages lower in countries which have the highest tariff than in those which have the lowest? The condition of the laborer in Germany, Italy, Austria and Russia is most deplorable, and his wages are almost infinitesimal. Yet those countries are protected by almost prohibitory tariff. If the tariff is purely a question of wages, why is it that working-men have to organize and combine for their own protection? Why should they be obliged to strike, occasionally, if the tariff is their sole protector? Why is it that the men in the unprotected industries have steadier employment and receive higher wages than those engaged in the most highly protected? Why are factories, mills and mines frequently closed at the command of the executive board of a trust and thousands thrown out of employment, if the tariff is purely a question of wages? The same tariff is in operation in every part of the country, and yet wages are twice as high in some districts than in others. Why should it be so, under such a beneficent protector? Working-men and wage-earners, put those questions to the first man that tells you high taxes mean high wages and see what answer he can make.

**Organic View of Newark Election.**

From the New York Tribune. Oct. 13, 1888. The tariff question undoubtedly contributed to the Republican gain, the wards which showed the largest gains over last year being those inhabited by working-men. Oct. 11, 1888. So far as the general result is concerned (Dem. majority 700), the Republicans have no reason to modify their hope that New Jersey will join the Protection column in November. Republicans are confident of a good majority.

**1838 vs. 1840.**

It has been a favorite pastime of Republican papers to find and publish the names of the patriots who voted for Harrison in 1840. They seem to think it improves the prospects of the son of his father and grandson of his grandfather. We can add to their list a few this week and doubtless if we advertised for names could find many more. The following names came to us incidentally in course of a conversation: John Bailey, Dr. Patterson, E. Blachley and Mr. Tuman voted for Harrison in 1840, but if they live until Nov. 6th Cleveland will be on their ticket. Jacob Gillespie and V. McClure also voted for Harrison in 1840, but will vote for Fisk this year. Bro. Journal add these names to your list.

Two or more surgeons representing this Institute will be at the Hoffman House, Eugene City, Nov. 5th. They come fully prepared with all the apparatus necessary for the successful treatment of their specialties, curvature of the spine, diseases of the hip and knee joints, crooked limbs, club feet and all bodily deformities. Their success in treating these troubles as well as all sexual and chronic diseases has made for the Institute a national reputation. Upon application, references will be furnished from patients in all parts of the United States. All persons who are suffering from any of these complaints, should not fail to take advantage of this opportunity for relief.

Rutledge, of Eugene, visited relatives here the first of the week. Mr. Geo. Hillegas has been rusticated on the coast, returning one day last week. Mr. T. J. Dunten and Mr. J. M. McLean's residences are nearing completion. School began last Monday at Watterville, with Miss Maggie Millican to sway the scepter.

Mr. Oscar Campbell has leased P. Cheshire's hop yard near Springfield for the ensuing year. Mr. S. Branton is repairing his home in the way of re-roofing and adding a new porch to it. There is now solid comfort at the bath ranch. Johnny T. is the happy possessor of a big arm chair.

Miss Ella Branton is visiting in Eugene this week. She will probably remain in town during the winter. Mrs. T. J. Dunten returned last week from a five week's visit with her daughter, Mrs. Roy Coffin, at Yaquina.

Mr. Cushman Burton, who has been in W. T. and Idaho for several years, recently paid his friends a visit on the McKenzie, his former home. The mail between this place and Watterville failed to make connection last week. The carrier struck for higher wages, and not getting it he refused to carry the mail.

The silver-tongued orators of our vicinity have begun to inaugurate the political argument with their brilliant stump speeches. Let it be Grover Cleveland and reform.

Mr. and Mrs. C. B. Starr, of Corvallis, visited at the residence of Mr. Jas. Campbell, their relatives, recently. They went from here to Southern Oregon, whither they go for the benefit of their health.

Mr. Ezra Shields, of Eugene, will wield the rod over the urethra at the Upper Camp Creek district this Fall, beginning next Monday. The people of this district are, we think, fortunate in securing the services of one so efficient as Mr. Shields.

The mischief came in Friday, the 19th, and went out on the 20th with a cargo of 2,000 cases of salmon. There was a wrestling match in town last Saturday between James Montgomery and Charlie Vanderburg. It was decided in favor of the former.

**FLORENCE.**

The Southern Pacific Company has begun an active fight against the Northern Pacific and Oregon Short Line for the passenger business to the East. Up to the present time the Short Line has secured a very large percentage of the business, its rates being equal to those of the other routes. The Southern Pacific gets a very short haul on the business as it stands, carrying the passengers only to Portland. It is now proposed to turn the tide of east bound travel southward through California, and to accomplish this the Southern Pacific has placed coupon tickets to all eastern points at different points along the line of the Oregon & California, among them being Portland, Salem, Albany, Eugene, Roseburg, Ashland and Medford.
