## THE EUGENE CITY GUARD. Drs. Darrin Submit.

Governor Pennoyer's second veto of the Bull Run water bill was sustained by the House by a vote of 30 to 21 in favor of passing it over his veto, thus lacking one of the necessary two-thirds. The bill to recreate the Board of Kailroad Commissioners and roise their salaries was passed over the Governor's veto. The drawing of salaries will be the principal business attended to by the Board.

Wonderful Operations and Cures.

A few weeks ago Drs. Darrin visited Eugene almost as strangers, yet in that short space of time they have effected so many wonderful cures that their names are known in every household on the coast. Their cures were so quick and miraculous that some physicians of good standing, were

## A Soap Swindle.

There are all sorts of ingenious ways invented to swindle the public. The latest complaint comes from several small towns in Eastern Oregon, where female agents, claiming to be from Chicago, canvass at houses, leaving a cake of soap as a sample. They return and sak the lady to sign a printed testimonial, the same to be presented to the grocers to influence the latter to bandle the trade. The testimonials afterwards turn up as "orders," calling for soap
in various quantities at fancy prices. The
wording of the so-called "testimonials" is
very ingenious.—La Grand Journal. Our
Lane county people had better be on the
bisk-out for these swindlers, for they are
sure to pass this way.
