**Plenty Leftover.**

Just a certain church in Ireland a young priest was told to preach. The occasion was his first experience, and he took for his text "The Feeding of the Multitude." He said: "And they fed ten thousand people with ten thousand loaves of bread and ten thousand fishes." An old Irishman said: "That's no miracle; beggers I could do that myself," which the priest overheard. The next Sunday the priest had the same text, but he had left right this time. He said: "And they fed ten thousand people on ten loaves and ten fishes." He waited a second or two and then leaned well over the pulpit with: "And could you do that Mr. Murphy?" Mr. Murphy replied: "And could you, your reverence, I could." "And how could you do it, Mr. Murphy?" said the priest. "And sure, your reverence, I could do it with what was left over from last Sunday."
