The Lane County Ticket.

The Democratic county convention held in Eugene last Saturday placed an excellent ticket before the people for their consideration in June. The convention was harmonious and when through, Democrats, whether friends of either candidate or not, congratulated each other on the strength of the ticket.

R. M. Veach, the nominee for state senator, is too well known in Lane county to need any extended notice. He has represented Lane county in the lower house of the Oregon legislature for several years and during the last session of the legislature he was recognized as the leader of the Democracy in the senate, and did not waver, in speaking and voting to aid in proposed, in objectionable measures were proposed, in common with the Democratic members, two exceptions, he stood faithfully by Gov. Penneyer, and aided in defeating the Portland Bull Run non-taxable water bond scheme. Mr. Veach is unanimously the nominee of the party, and is known to nearly every one in Lane county either personally or by reputation. He served four years as state senator from Lane, and by his genial qualities secured the esteem and friendship of his fellow legislators of both parties. On questions, outside of politics, that affect Lane county, no man could have wider influence or do more to advance our interests. L. Bilyen has before represented Lane county in the legislature. He made an excellent record as a careful and painstaking member. He is thoroughly qualified to judge of the legal effects of bills that may be introduced and will always be found strenuously advocating the rights of the people against encroachments of monopoly and corporate power.

The nominee for county clerk is C. P. Houston of Junction. He is a young man of excellent business habits, and is thoroughly qualified to fill the office. For several years he has filled the responsible position of railroad agent at Junction, and by his courteous obliging disposition has gained the good will of all with whom he has conducted business. Mr. Houston is popular with Republicans and Democrats alike at Junction where he is best known. His prompt business habits and obliging manners make the nomination an excellent one.

James E. Noland was nominated for sheriff. He served one term as sheriff and his popularity was attested by running ahead of the ticket wherever he was known. By habits and education he is qualified to take charge of the sheriff's office and conduct it on business principles without fear or favor. Mr. Noland is a native born son of Lane county, and has many personal friends who appreciate his qualifications.

John G. Day was the choice of the convention for treasurer. He is a safe conservative man, and has heretofore filled the office with credit to himself. James Parker of Pleasant Hill precinct is an excellent nomination for county commissioner. He is a successful farmer, and as an old resident of the county knows its needs. He will receive a large vote. The name of P. J. McPherson is a strong one for assessor. He served in that position for eight years giving general satisfaction, and voluntarily quit the office. He knows the county and its residents thoroughly, and his assessments are fairly and impartially made.

Dr. A. W. Patterson is the nominee for school superintendent. He is an old resident of the county and his popularity is attested by the fact that he ran 150 ahead of his ticket at the last election. L. F. Wooley of Cottage Grove, the nominee for surveyor, is competent and qualified to perform the duties of the office. Dr. W. T. McMurry is the nominee for coroner. He is a practicing physician of Eugene and is expected to perform his first duty in June by holding an inquest over the Republican ticket. We hope there will be no mistake about this.

RENEWALS.—The team attached to Bang's baggage wagon ran away from the depot Tuesday afternoon. They were frightened by a passing engine. The wagon tumbled over him bruising his leg considerably but breaking no bones. He will be about in a few days. One of the delivery teams started for a runaway from Sladden's grocery store Wednesday night after a few turns around the 7th and William street square, were brought to a stand.

Pleasant Hill Items.

The picnic season will open here May 31st. Mr. Chas. Sellers returned recently from a trip to California. Miss Etta Handsaker is visiting her sister, Mrs. J. W. Guiley, at Dexter. We are pleased to say that Mrs. R. G. Callison is slowly recovering from a very severe spell of sickness.

Mrs. E. B. Hunsaker, of Ashland, is visiting her father, J. M. Parker, of Dexter, who has a severe attack of lung fever. We regret to learn of the loss by fire of the dwelling house of Mr. Mike Sultz at Summit Lake. Mr. S. is a brother to Mrs. A. J. Cruzan, of this place.

The photo gallery owned by Mr. Thomas Motley is said to be turning out some excellent pictures, and will depart hence in a few days for some point down the valley. We regret to learn that while attending to her household duties, on yesterday, Aunt Almira Bristow had the misfortune to receive a severe fall, but she is not seriously injured.

We have seen no notice in any of the papers in regard to the death a few weeks ago, of a resident of this county, and who from a personal acquaintance of almost two decades we can say with truth that he was one of God's noblest works, "an honest man."

Mrs. John Hanna, of Wasco county, is visiting her many old time friends. To quote the language of a correspondent of the Grand who some seven years ago noted her arrival, "She is large as life and twice as natural." Mrs. H. will return to her home next week and will be accompanied by her aged father, "Uncle Billy Moore," who has resided in Lane county since '53.

We are informed by the Register itemizer, of this place, that certain young men have quit the habit of using cigarettes. Now if each and all of the same habit of using cigars we do think they would be better for it. The young ladies say that it is a disagreeable sight to see a great long cigar protruding from one's mouth, and that, otherwise, would be a nice young man following it around.

"Our Boys."

Saturday night's performance will be the production of the greatest comedy of the day, namely H. T. Byron's play of "Our Boys," that ran for five years at the Vaudeville Theatre, London, without a break. It is full of genuine fun. Miss Caroline Gage as Mary Melrose shows her great talent as a charming comedienne. The scene between the haughty baronet, Harry Keene, and the self-made man, James Morton, are simply screaming. Our boys are played by Messrs. Keith Thomas and Geo. Hillier, the latter, Violet Melrose by the favorite, Miss Lydia Knott, the kind-hearted but old maidish aunt is capably played by Mrs. Harry Keene, and the good-hearted slave is a piece of genuine fun done ample justice by Miss Maud Howe. This will be the company's last night and they ought to receive a tremendous house as no one should miss seeing such a favorite comedy as Our Boy.

Presbyterian Programme.

Programme for next Sunday evening. Congregational Hymn. Prayer. Solo and quartette, "God in Mercy Hear our prayer." Reading. Duets, "Something for Thee." Singing of children from Sunday School. Male Quartette. Address. Solo, "Come unto me." Congregational Hymn. "Hear thou thousands and Harps and Voices." Anthem by choir, "Oh! That I had Wings." (Solo obligato, I. G. Adair.) Evening Hymn, choir and congregation.

A WAIL FROM THE DISTRESSED.—Oh Lord! how long must patient and long suffering community tolerate that infernal nuisance in front of the Young Building? "The Common Habit," anything to say about it, or is it that one of their number is interested and they fear to hurt his "Feelings." A KICKER.

BOARD OF TRADE.—A meeting of the citizens of Eugene was held Friday evening of last week and preliminary steps taken towards organizing a Board of Trade. About 150 names were secured to the list. The committee appointed to solicit names were Dr. Kuykendall, Jacob Mitchell, Frank Chambers, E. L. Gallagher and W. R. Walker.

THE CONVENTION.—The proceedings of the Lane County Democratic convention will be found on the first page of the OREGON.

WANTED.—Poultry and Eggs at Sladden & Son's.
