THE EUGENE CITY GUARD.  
SATURDAY, OCTOBER 25, 1890.  
Jumped from the Train.  
East Oregonian.  
A prisoner from Union county named Ar-  
nold, who was tried at the last term of court  
for murder in the first degree, and convicted  
of murder in the second degree, escaped from  
the pen Tuesday, it is said, by jumping  
from the train which arrived in  
Pendleton Wednesday. The prisoner was  
sentenced to the State Prison, but was per-  
mitted to enter the car closet, which  
was granted. While there, by some means,  
he slipped the handcuffs from his wrists,  
raised the window and jumped out and made  
for the woods.

OUT OF THE MOUNTAINS.—Pendleton Ore-  
gonian: Commissioner Somerville, of the  
apportionment party, is in the city, and re-  
ports that their progress has exceeded expec-  
tations. They are now at the month of the  
Little McKay, and practically out of the  
mountains. In 25 days more they will be  
down in the G. O. P. The work will be  
comparatively plain sailing. Whether they  
will complete the job early or not depends  
on King Winter entirely. If he begins to  
empty his leather bed early, and the "cor-  
ners" are hidden, work must cease until the  
snow disappears. Commissioners Eddy and  
Hughes and Surveyor Lambrell are at G in  
the city. The party leaves to-morrow to  
resume work.

"Cap." Humphrey has been converted to  
the true faith. He related to a group of  
friends this morning that he had become a  
Democrat, despite his long and faithful ser-  
vice to the G. O. P. He had been presented  
with a wash-bill by an unfeeling Christian  
this morning and he had concluded to join  
the ranks of the great "unwashed and un-  
terified," wherein the use of water is un-  
known. "Cap" was immediately sur-  
rounded by Democratic friends and con-  
gratulated over his change of heart.—East  
Oregonian.

A Chicago dispatch to a toady republican  
organ says: "It has been a well-guarded  
secret that Secretary Blaine became a grand-  
father on August 30, when a bouncing baby  
was born to Mr. and Mrs. Emma Blaine,  
nee Miss McCormick." Why a well-guarded  
secret? Why should Mr. Blaine or any other  
man wish to keep secret so creditable an  
episode in his life as becoming a grand-  
father?  
A boy aged 18 held up a stage near Ukiah,  
Cal., on Sunday. He was caught at Cleve-  
dale and admitted his crime.  
EXCITEMENT  
Runs high in this city over System Builder, as  
everybody is using it for Catarrh of the  
Stomach, Dyspepsia, Constipation, Blood and  
to build up their system. Try it and tell your  
friends about it, as it must possess wonderful  
merit when all speak well of it.  
SAVED  
From a terrible death, is what so many say after  
being cured of catarrh by using the California  
Positive and Negative Electric Lintment. It  
never fails to cure Rheumatism, Neuralgia, Lam-  
e Neck, Sore Throat, Headache, Toothache, etc.  
Try it.  
Don't Believe It  
When told that F. M. Wilkins, the druggist,  
is not selling "Wisdom's Robotine" for the  
complexion, the most elegant and only really  
harmless preparation of its kind in the  
world, and giving a beautiful picture card  
with every bottle.

The Road to Wealth  
Cannot be successfully traveled with-  
out good health. To reach wealth or any  
 coveted position in life requires the full  
possession and operation of all the  
faculties kind nature has endowed us with.  
These conditions cannot exist unless the  
physical being is in perfect working  
order, and this is impossible when the  
liver and spleen are torpid, thus obstruct-  
ing the secretions, causing indigestion  
and dyspepsia, with all of their accom-  
panying horrors.  
DR. HENLEY'S  
English Dandelion Tonic  
exerts a specific influence over the liver,  
excites it to healthy action, resolves its  
chronic engorgements, and promotes the  
secretions: cures indigestion and consti-  
pation, sharpens the appetite, tones up  
the entire system, and makes life worth  
living.
