Also that the barn complained of on Pearl street would be removed.

Obituary.

Olive Ann Darnielle was born February 23d, 1864, in Lane county, Oregon. She was married to John P. Dougherty September 27, 1883. She, with her husband, moved to the Palouse country and engaged in farming, her health falling so rapidly that she desired to return to this county and die amongst her relatives and friends of her childhood.

Her death occurred November 20th, 1890, being 26 years, 9 months and 2 days, old. Though Olive had a great suffering, her health falling so rapidly that she was willing to suffer and to die and be at rest, for it was far better. She leaves a husband, father, Isaac Darnielle, brothers and sisters and many other relatives and friends to mourn her early departure. She was a grandchild of Judge H. N. Hill, of Lane county, Oregon. A FRIEND.

Commissioners' Proceedings.

After the west press last week the following proceedings were transacted: Petition of S. Y. Abbott, for road of public easement: Eli Perkins, G. C. Huston and Thos. Neely appointed viewers to locate road and assess damages; to meet Dec. 15.

Springfield bridge accepted and clerk ordered to draw a warrant in favor of Pacific Bridge Co., contractors, for balance due, amounting to \$27,386. Tax levy made of 2 1/2 mills for state, school and county purposes; also a poll tax of \$1 on every male person between the ages of 21 and 50.

Notice.

Notice is hereby given that I have purchased the hardware store and business of J. B. Haskell in the amount of \$25,000, also a poll tax of \$1 on every male person between the ages of 21 and 50. All those indebted will please call and settle their accounts. W. A. HASKELL. Dated at Eugene, Dec. 6, 1890.

THE TAX Levy.—The county court fixed the tax levy at 2 1/2 mills. We believe this is the highest level ever made in Lane county. It results from the flood of last February, many important bridges having been washed out which required to be replaced. It is estimated that at this time next year the county will still be \$25,000 in debt. This year, which would almost have extinguished the debt, besides allowing the county to get better terms on bills. Of course no fixed fees it makes but little difference, although the county must pay 8 per cent interest, but on 10 per cent discount or a wait for a year is in sight.

A PLUCKY YOUNG WOMAN.—It is not often that a young lady will make the necessary residence on a piece of land to secure a reputation title. Miss Minnie Starr, of Junction, is an exception; while teaching school on the McKenzie last summer, she filed on a few months ago, it is said, has two claims alone at her cabin. The Junction Pilot of last week says: "Miss Minnie Starr went to Eugene the first of the week, for the purpose of proving up on her pre-emption, situated on the McKenzie. Miss Starr, who also became the possessor of one of the claims, and it is said, has two claims alone as can be found in that region."

AT COURSE.—The work of changing the Oregonian railroad of the east side from a narrow gauge to a broad gauge was completed Thursday afternoon when the first standard gauge engine arrived at Eugene. The present old rails are used being spread apart on the ties. It will be replaced with steel rails as soon as they can be secured. The change in this road is an important event to the residents along its line. The cost, annoyance and delays of transfer will be obviated and a better service secured.

A FIGHTING BARBER.—The Ninth street barber raised considerable disturbance around his place of business Friday night of last week and when Nightwatch Witter and Marshal Stevens went around and remonstrated with him, he became so wild, they conducted him to the calaboose, and they were proved almost a John L. Sullivan. After a lively scuffle he was forcibly induced to enter. The next day he settled with Recorder Dorris to the extent of \$15 and costs.

IN DARKNESS.—Eugene had a sample of the utility of the electric lighting system Wednesday evening. On account of an accident to the flume the machinery was not started until nearly seven o'clock. A number of the business houses are not provided with lamps and were left in darkness. The lamplight presented a lonesome aspect, and other streets that had become familiar with the arc lights were dark and dismal to the pedestrian.

SHOULDER DISLOCATED.—N. A. Howe met with several accidents on his way to Creswell last Sunday. He was after the cows and got a better view he got on a log, when he slipped and fell, dislocating his shoulder. His son became anxious, and after search found him and conveyed him home. Next day the circumstance was an entire blank to Mr. Howe. Although an old man he is rapidly recovering from the accident.

DIED.—Mrs. Mary F. Hamilton, wife of Pascal E. Hamilton, died Nov. 24, of malarial fever at Leland, Idaho, aged 33 years. She was the daughter of W. G. Parkerson. She leaves a husband and three children, a father and several brothers and sisters in Lane Co., and many friends to mourn her untimely death.

STOCK IN POOR CONDITION.—From reports from different parts of the county, we are justified in saying that stock generally is in a poor condition. The continued dry weather, loss of grass from growing. Hay sells at \$17.50 to \$20 per ton, and as a consequence cattle can be bought cheaply. A hard winter would cause the death of considerable stock.

ITALIAN PREMIER.—J. H. Settlemier, of the Woodburn bureau, informs us that he has between 50,000 and 60,000 Italian prunes left from his immense stock of one and one-half million nursery trees. Parties intending to plant would do well to confer with him at once as he says that they are going very rapidly. See his ad.

A DANGEROUS RAILING.—The attention of the city authorities should be called to the railing across the Eighth street mill race and to the cause of its being there. It should be replaced by a solid substantial railing, and we suggest a dressed instead of a rough one.

LAW SUIT.—A case was on trial before Justice Kinsey this week that consumed three days' time. It was a case wherein J. D. Mosher sued Dr. T. W. Shelton for \$674, alleged to be due on account. The Justice gave to the plaintiff a judgment for \$43.47.

SCIPPED.—Arthur Hyland, who had been conducting a meat market on the south side of Ninth street for a short time concluded that he had secured about all the credit possible and skipped out Saturday night leaving creditors in the amount of several hundred dollars.

MARRIAGE NOTICE.—The annual election of Eugene Chapter No. 10, R. A. M., will be held at Masonic Hall Monday evening, Dec. 15. All members requested to be present. L. N. ROSEY, H. P.

A Communication.

MARQUAN GRAND OPERA HOUSE, PORTLAND, OR., Dec. 2, 1890. J. B. Rinehart, Manager, Eugene. Dear Sir:—In the Ladies National Swedish Concert Company you will have beyond question the finest company of its kind that ever any of your people have seen since the existence of your city. The company is composed of eight young ladies from the Royal Opera under the management of the King of Sweden, who have been trained by the best instructors of their native land, and are promoted by all musicians of Europe and America to surpass anything in pure and rich voices, in the novelty of their entertainment with original music which they sing and play, that has ever been heard anywhere in the world. They are called the Swedish Nightingales, and will give a programme of such a grand nature that you will only be too glad to have them back again, if such a thing is possible. I have been working for six months to get them to Portland, and persuaded upon them to go to San Francisco, that is why they had these few nights open. They all dress in their native costumes, and receive royal receptions wherever they go. Several societies in Tacoma, Seattle, San Francisco and Portland have arranged to give them a grand reception and banquet, so you can easily understand the fine quality of the attraction that you are going to get. Yours truly, S. H. FRIEDLANDER, Manager.

Prineville Review. Every legislature which has convened for the past five years has been besieged by lobbyists from the Monmouth Normal School who have been so persistent in getting the school laws arranged in the
