THE EUGENE CITY GUARD.
SATURDAY, DECEMBER 13, 1900.
Was Dives a Republican or Democrat?
A good story is told concerning the discussion between the Hon. Wm. M. Springer and Hon. Bowtell G. Horr at Monticello, N. Y., on September 4th. In his speech Mr. Springer said that for twenty-five years the Republican party had been promising protection for the farmer. Yet the farmer was getting poorer every year. He hoped he would not get to be as poor as Dives, who was forced to beg for a drop of water to cool his parched tongue.
In his reply Mr. Horr alluded to the fact that Mr. Springer had referred to Dives. "You might know," continued the great Michiganian, "that Dives was not a Democrat, for he howled for water. If he had been a Democrat he would have yelled for whisky."
In his return speech Mr. Springer said that it was entirely unnecessary to inform the audience that Dives was not a Democrat. He rolled in wealth. His very name indicated riches. The last that was heard of him he was in hell where no Democrat ever went. The truth was that Dives was a hypocritical Republican, and, seeing so many of his political faith around him, when he was in trouble he howled for water because he was afraid somebody would ask him to treat, and he did not want to offend the Prohibitionists.
Salem Statesman: Previous to the present administration at Oregon's insane asylum the death rate among patients had been 10 per cent. Now it is 6.9. The two last patients to pass away there both died of old age. Thomas Henry died this Monday evening and his body was taken to Yumbill county for burial, he having formerly resided near McMinnville. He passed a good many years of his life in the asylum. Mrs. Miller, the patient who died there Tuesday evening, has friends at Seattle, where she will be interred.
The original Farmer's Alliance was organized in Texas (1875) against the cattle kings. In October, 1887, it held its first National Convention, with delegates from ten southern states. The National Grange of Patrons of Husbandry preceded it by about eight years. It grew in five years to claim 12,000 Granges. It is a strong power.
The indications are that it will cost something to eat meat next year. The following is from the Grant County News: We understand buyers are endeavoring to contract for cattle in this county at \$35 per head, to be delivered next spring. This is another indication that beef is rapidly increasing in value. If you have any steers and stagers of hay and plenty of time to feed it to the cattle, the News would say to feed it and sell your beoves next summer.
Dictionaries.
The Guard office received a consignment of the Webster's Dictionaries that we are offering as premiums. Those who have subscribed or others who wish to subscribe now get the book by calling at this office. Those who have taken it are well pleased with the quality and cheapness of the book. Remember, the dictionary and Guard for one year costs but \$5.50. They are needed in every family, the one as a work of constant reference and the other to give the complete local news of Eugene and Lane county. You cannot afford to do without either.
Give Them a Chance!
That is to say, your lungs; Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air passages, but the thousands of little tubes and cavities leading from them. When these are clogged and choked with matter which ought not to be there, your lungs cannot do their work. And what they do, they cannot do well. Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Bough's German Syrup, which any Druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain.
Whiteout & Abrams, contractors and builders, have planted the best quality of brick for their yard 1 1/2 miles east of town, and will supply the demand at reasonable prices. They also contract for all kinds of brick work and guarantee satisfaction. Will deliver brick on order to any part of town.
For Sale.
80 acres of fine beaver dam land for sale. Easy to clear. Land adjoining and of same character produced last year 6 tons timothy hay per acre. Two spring branches on the premises. No swampy land. Good out-range. For terms and information, apply at this office.
Delinquent Tax Notice.
Notice is hereby given that the city tax of 1890 of Eugene is now delinquent and has been placed in my hands for collection. Those who are delinquent are notified that unless prompt payment is made costs will be made.
Sept. 12, 1890. I. E. STRYVEN, Marshal.
