Fruit Shipments.

Jacksonville Times.

Fruit shipments from the Rogue river valley towns prior to the holidays, in carload lots, amounted in round numbers to: Ashland, 246,500 pounds; Medford, 340,670 pounds; Talent, 172,400 pounds; Grant's Pass, 798,140 pounds. Shipments in small lots and by express doubtless amounted to half as much more, or a total of about 2,400,000 pounds of green fruit, or over 120 carloads. When it is considered that our orchards are just coming fairly into bearing, and that the business of shipping is yet in its infancy, this is a most favorable showing. Hon. J. D. Whitman, in presenting these facts before the late meeting of the State Board of Horticulture, and commenting on the fact that the board forbade the shipment of fruit infested with the San Jose scale, stated that they conveyed but a faint idea of the fruits already grown in this section.

"The fruit interest of Southern Oregon," said he, "is undeveloped and in its infancy. Of our choicest fruit lands not 5 per cent. are yet occupied with fruit trees. The supply of choice fruit land is almost inexhaustible, and we will cordially welcome all who desire to engage in horticulture to our valley."

"He who kills a bird, in my judgment," Mr. Whitman added, "kills a friend—a fact that ought to be recognized by every farmer and fruit-grower."

The citizens of Linn and Marion counties have been loudly demanding a public survey of the lands along the Santiam river. In response to inquiries Surveyor-General Evans, of Portland, says that he has already let a contract for the survey of one township on the Calapooia river above Brownsville, and five townships on the North Santiam, along the line of the Oregon Pacific railroad. He says all the appropriation of \$30,000 by congress will be speedily expended for this purpose in various portions of Oregon.

Senator Weatherford of Linn county introduced a bill such as is in existence in many other states, to exempt homesteads from attachments and execution sales. The homestead may consist of 20 to 160 acres or of one house and lot in any city, but must be held by the head of a family and may pass to his wife on his decease, etc. It must not, however, exceed the value of \$1,000.

The government engineers in California have given up trying to make wooden piling in the bay of San Francisco teredo proof.

The insect, which is the bane of all wharf builders in San Francisco, manages to get fat and thrive on creosote and other chemical combinations that have been prepared to destroy it, and a new government wharf, just completed at the Bay city, is built on cast iron piling.

Luke McKern butchered a hog a few days ago that weighed 675 pounds net. It is sold from that a hog is butchered in this country that has to be cut in three pieces to be weighed on scales that draw 360 pounds. This hog was of the Jersey Red stock and three years old. Mr. McKern challenges the whole of Yamhill to beat him.—Newberg Graphic.

A GREAT MISTAKE is often made in not using the California Positive and Negative Electric Cough Cure for coughs, colds, croup, consumption, etc. It is the only cough cure in the U. S. free from opiates. Fine for children—try it and see.

A sure cure for the whisky habit: Dr. Livingston's Antidote for drunkenness will cure any case of the liquor habit in from ten to thirty days, from the moderate drinker to the drunkard. The antidote can be given in a cup of coffee without the knowledge of the person taking it. The Antidote will not injure the health in any way. Manufactured by the Livingston Chemical Co., Portland, Oregon, or from Osburn & DeLano, Eugene.

Several months ago Mr. Henry Plummer, of Clements, Cal., who is subject to cramps, was taken with a severe attack. He had been accustomed to get relief by dosing with morphine, but the disagreeable effect that followed would make him miserable for hours after the cramp had been relieved. I persuaded him to try Chamberlain's Colic, Cholera and Diarrhoea Remedy. He was so much pleased with it, as its effect was almost instantaneous, and no disagreeable after effects accompanied its use. Chas. Bamberg, Manager Farmers' Trade Union, Clements, Cal. For sale by F. M. Wilkins.

A Little Too Late—to doctor when Bright's Disease has done its work. Take Wright's Kidney and Liver Cure for inflammation of kidneys and liver, pain in back and other warnings of kidney trouble. Sold by all druggists.

F. M. Wilkins, the druggist, wishes to remind his patrons that it is a dangerous policy to wait until taken sick before buying a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Every family should be provided with some reliable remedy for bowel complaints, ready for immediate use, whenever required, during the summer months, and this remedy is unquestionably far superior to any other. It can always be depended upon, and is pleasant and safe to take. It is put up in 15 and 50 cent bottles.

The Road to Wealth cannot be successfully traveled without good health. To reach wealth or any coveted position in life requires the full possession and operation of all the faculties kind nature has endowed us with. These conditions cannot exist unless the physical being is in perfect working order, and this is impossible when the liver and spleen are torpid, thus obstructing the secretions, causing indigestion and dyspepsia, with all of their accompanying horrors.

DR. HENLEY'S English Dandelion Tonic exerts a specific influence over the liver, excites it to healthy action, removes its chronic engorgement, and promotes the secretions; cures indigestion and constipation, sharpens the appetite, tones up the entire system, and makes life worth living.

WHAT

About the biggest returns ever made on a small investment is that reported by John Alexander, of Mariposa, California. He writes:

"The best investment I ever made in my life was one of \$1.25. It brought me health, wealth and happiness. The investment I made was the purchase of one bottle of Moore's Revealed Remedy." Thousands of other people have had equally as good returns from the purchase of this sovereign remedy. It cured Richard Williams, of Newcastle, of Asthma, in a week. It did the same thing for John Hewitt, of this city. R. C. Oats and Captain Al Taylor, of Seattle, over their own signatures testify that it cured their rheumatism in a marvellously short time. J. M. Jones and W. P. Johnson, of Seattle, attest its efficacy in curing liver and heart troubles. Thousands of reputable citizens from one end of the Pacific Coast to the other write its praise. If you are ill, what better investment can you make than the purchase of a bottle of Moore's Revealed Remedy? If you feel bad every morning on arising, if you are tortured by rheumatism, if you have any of the ills of mankind, invest \$1.2
