How to Break up a Severe Cold.

From the Virginia City, Mont., Madisonian. When we find a medicine we know to possess genuine merit, we consider it a duty, and we take pleasure in telling the public what it was. Such a medicine we found in Chamberlain's Cough Remedy. In a few hours, severe colds, and in the course of two or three days, entirely broken them up as has several of our friends to whom we have recommended it. It is all it is represented to be by the manufacturer. If you have a cough and want to stop it, Chamberlain's Cough Remedy will do the work. For sale by F. M. Wilkins, Druggist.

THE CRY OF MILLIONS!

OH, MY BACK! STOP IT NOW.

BOON IT WILL BE TOO LATE.

I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over, get up alone, or to put on my clothes, when I sat down it was almost impossible for me to rise. I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days I am happy to state that I was a new man. I will recommend the tea to all afflicted as I have been.

SATURDAY ... APRIL 18, 1891.

Portland Examiner: It will surprise Americans to learn that Signor Nicolera, the present minister to the interior, who has managed Marquis di Rudini into his aggressive attitude toward America, is chief of staff with the executive men of such secret societies as the Camorra and Mafia, and that he owes his political position to their powerful efforts. A newspaper correspondent has conversed with the director of the Italian consulate in this city, and he has learned that Rudini in having hurriedly advised the fall efforts. A Washington dispatch to a Republican organ says that "all that is needed to have the markets of Germany opened to American pork is for the administration to take a firm stand on the law of Aug. 31, 1890, and convince the German Government that its interest lies in the direction of free commerce in its trade with the United States." And the "free" clause means that the United States offers Germany a measure by a tariff that imposes an average duty of 60 per cent on nearly everything which that country desires to export to the United States. The German statement of the fact is that the people are naturally not in favor of this "free" commercial intercourse.

Saturday noon some damage suits against the Southern Pacific company, growing out of the Lake Umbagog disaster, were transferred from the circuit court of Marion county to the United States circuit court. They are as follows: A. M. Page for damages in the sum of \$5,000; Dr. W. Spoor, \$10,000; Annie B. Hodson, \$35,000; W. G. Hamblett, \$30,000; John R. Baul, \$70,000; Lottie Macquison, \$15,000; Minnie Macquison, \$8,000; G. E. Miller, \$25,175; John Pengilly, \$8,000.

It pays to be heretic these days. The Rev. Howard MacQuary, of Ohio, who is to be deposed from the Episcopal ministry, will undoubtedly be settled soon in a snug Unitarian pulpit at \$5,000 a year and "found," or better. If Mr. MacQuary had tried a couple of centuries ago "something like ring, with testing of m. n.," would have been his portion.

Don't Believe It. When told that F. M. Wilkins, the druggist, is not selling "Wishon's Robertine" for the complexion, the most elegant and healthful harmless preparation of the kind in the world, and giving a beautiful picture card with every bottle.

Call a Halt—That tired languid feeling means that your system is in a state to invite disease, and Wright's Compound Extract of Sarsaparilla is what you need at once to expel impurities of the blood and build you up. Sold by all druggists.

Menard Flour—A. Goldsmith has received another car load of the celebrated Menard flour. He will keep this excellent brand of flour in stock at all times hereafter.
