The Eugene Cigar Factory

Keeps constantly on hand the finest brands of home made, domestic, and Key West cigars. Charges the lowest prices for chew-ing and smoking tobacco. Sell at retail and wholesale.

Give Them a Chance! That is to say, your lungs: Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air passages, but the thousands of little tubes and cavities lesding from them. When these are clogged and choked with matter which ought not to be there, your lungs cannot do their work And what they do, they cannot do weel. Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boschee's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may de-dend upon this for certain.

I have a cousin who is a printer, says Ex Mayor J. C. Loughran of North Des Moines, Ia. Some years ago he was employed in this city where they were printing circulars for Chamberlain. He had a deep scated cold and terrible cough, and while setting up copy he made up his mind to hay a tottle. It cured him and that was the first I ever knew of Chamberlain's Cough Remedy. I have been strongly in its favor ever since. My own experience and that of my family convinces me that this remedy is the best in

MEDFORD FLOUR -A. Goldsmith has received another car load of the celebrated Medford flour. He will keep this excellent brand of flour in stock at all times hereafter.

Stephen Smeed, of Walterville, was in town this morning to procure apparatus for Monday, June 8, 1891, at 2:30 p. m. the spraying of his hop yard. He informs us that the hop lice have already made their appearance in his yard in considerable numbers, and that he is satisfied that if let alone they will devastate it, when the warm kerosene emulsion is the system used, and that the same must be thrown on the under side of the leaves.

use, recommended by the department of agriculture;
Kerosene oil (common grade), 8 piuts;
water 4 pints; soap, ½ pounds. Dilute for
use with 25 parts of water. Increase each

The soap used may be made as follows: Leon Hirsh's Crystal potash lye, 1 pound; fish oil, 3 pints; soft water, 2 gallons. Dis solve the lye in water and when brought to a boil add the oil. Cook about two hours. This will make about twenty-five pounds if filled up to make the evaporation by boiling.

Report of the Meeting Held Last Saturday.

the Siuslaw & Eastern Railway and Naviga-tion Co. was held at their office in Eugene, Saturday, June 6th. After the transaction of routine business, the meeting was ad-journed until Saturday, June 20th, when it is expected that the survey between Eugene and Florence will be completed, and that important business will then be considered. The officers of the company as all of the con-The officers of the company as elected by the stockholders are as follows: Geo. H. Ellsbury, President. A. G. Hovey, Vice President and Treas-
