Give Them a Chance!

That is to say, your lungs: Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air passages, but the thousands of little tubes and cavities lesding from them. When these are clogged and choked with matter which ought not to be there, your lungs cannot do their work. And what they do, they cannot do weel. Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and Give Them a Chance! pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Bos-ches's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may de-dend upon this for certain.
