

Table with multiple columns listing names and numerical values. The table is organized into several vertical columns, each containing a list of names and their corresponding values. The names include individuals and businesses, such as 'Laud, H. L.', 'Lyons, C. C.', 'Ogle, J. M.', 'Sampson & Hughes', 'Woolley, L. F.', and 'Wills, Henry and Wm.'. The numerical values are typically small integers, ranging from 1.00 to 25.00, with some larger values like 102.10 and 111.37. The table is densely packed with text, and the columns are separated by thin lines.
