AS ELOPEMENT.

Ned Thompson Elopes With Edna Smith and is Arrested.

Daily Guard, Oct. 14.
Yesterday morning Ned Thompson, of Mouroe, eloped with Miss Edna Smith, a daughter of B. T. Smith, who lives about three miles west of Junction, leaving Har-risburg on the overland train. By some means the young lady got off the train at Woodburn by mistake, her lover being in another car when the train stopped at that place, the parties intending to go to Port-land, but he returned to Woodburn on the Albany express arriving at that place at 5 p.m. On alighting from the train he was

arrest and went to Woodburn on this morn-ing's early train, intending to bring the run-away couple to Junction today. Thomp-son's trial will take place before Justice

Starr some time tomorrow.

Mr. Thompson claims that he had no intention of running away with the

Elopement Case Dismissed.

Daily Guard, Oct 15.

The elopement case at Junction this sorning was dismissed on motion of Deputy Presenting Attorney Potter. The law makes it a crime to entice a girl under six-teen years of age from home, and the father of Edua Smith supposed she was under that age until this morning, when consulting the family records he found she was sixteen last April. Her father swore out the warrant too hastily, evidently, and should have the costs to pay in the case. Med Thompson was therefore discharged from custody.

Street Payement.

Vancouver, Washington, is laying a wood pavement in her business street that from all appearances will be successful and also

reasonably cheap.

After the ground is graded timbers 4x8 inches are laid cross ways of the street, two in the ground every six feet. The space between is then filled with sand and tamped to an even surface; cedar boards 11/4 inches thick are then laid lengthwise of the street and cedar blocks from 4 to 8 inches in diameter are placed or end on the boards. The interstices are filled with fine gravel and tamped with a slender The finished portion of the street is smooth clear and noiseless and presents a splendi appearance. The line of the street car is planked. A cement curbatone is laid one each side of the street along the line of improvement.

It is but a question of a short time until Eugene will have to pave her business streets, and it will pay to keep watch on im-provements that are made in other towns. Vancouver is a tumbled down town compared with Eugene but the street had to be improved and it was recognized as true economy to do it well. Wagon road work is out of date for streets that are devoted to business pursuits.

A CRESWELL MAN SKIPS.

John Lindsay Robs His Uncle \$231.

It has just come to light that John Lindsay, last week, robbed his uncle, John Tunnell, the Creswell miller, of the sum of \$231 and then left for California. He took \$200 of it in gold from Mr. Tunnell's residence and the balance, \$31 in currency, from the mill. Lindsay left for San Jose last Thurs day sight. Mr. Tunnell did not inform the sheriff of the robbery until yesterday morning when telegrams were sent to the sheriff at San Jose for his arrest. However, the young man had skipped from that place the day before, having sailed on a steamer from Santa Cruz. Telegrams were sent to points where the steamer lands for his apprehension and arrest. It is likely that in a few days he will be arrested and brought back.

Portland Fruits and Flowers: Oregon were unfortunate enough to have any visitors from outside states attending her state fair, then she ought to give such visitors a free ride over the Willamette valley in order to correct the erroneous impressions necessarily formed at such fair regarding our real agricultural resources. Had it not been for Lane's grasses and grains and Marion's fruit palace, there would have been nothing to show that Oregon is an agricultural state. Is it this that costs Oregon \$5000 annually?

A Large Cattle Sale.

On the freight train Tuesday E. M. Brattain shipped eight car loads of beef cattle to the American Dressed Beef Co. at Portland. The whole number was 150. Of these 120 were steers, weighed an average of 1172 pounds, and brought 2½ cents per pound gross. 30 cows averaged 1127 pounds and brought two cents. They were raised in Lake county at Silver Lake, and were brought across the military road a short

Why It Grows.

The reason that Fairmount is making such rapid growth in population is because of its supurb location. Every one can see that Eugene, Springfield and Fairmount are growing into one large city with the latter occupying the center and as every body wants to be in the central part, they are flock-ing to Fairmount. Lots are selling there for just twenty-five per cent more than at this time last year and at the beginning of next year the price is to be advanced another twenty-five dol-

lars per lot. Jesse D. Smith has purchased a lot arrested by the Woodburn marshal, on a in Fairmount and will build a neat warrant from Justice Starr's court at June-dwelling on the same.

warrant from Justice Start's court at sub-tion, charging him with taking away a fe-male under 16 years of age for the purpose This will make thirty-two buildings erected in this new plat within the last year and is a remarkable showing for the first year of its history. Fair-mount seems to be growing in favor among the homescekers.

Rumor Confirmed.

Rumor Confirmed.

The rumor published in last week's paper regarding the sale of E. J. Frasier's resident property on east side of College Hill has been confirmed by his own statement and it is a fact although many questioned it that he will for the next ninety days sell lots in that beautiful tract for \$35 \$10 in six months and \$15 in one year, without interest, besides to the purchaser of every lot bought here he will give without extra charge a handsome resident lot in Fiorence. He will also give to the purchasers of the few lots here two cash prizes of \$1000 and \$500 in gold coin. This is unquestionably the greatest offer ever made in the Eugene market and there is no excuse for people not owning their own homes, besides for an investment there is nothing like it on the coast. The Florence property alone is worth more than is asked for both. property alone is worth more than is for both.

This is what he says: "Kind, indo-lent fathers and mothers, should you happen to hear your son yell out, in the dead hour of night, "Seven-leven! Seven! Get there Phoebe Eight! Come out, Big Dick! Two dark trays! Hoop-la, Sallie Nine!" depend on it, good Christian parents that boy has not been to a prayer meeting or temper-ance lecture. No. That young and hopeful genius has been out shooting craps." RUNAWAY.—There was a lively time on 11th street Tuesday evening occasioned by the grading team, consisting of two mules and two horses, becoming frightened at a hand-car and running five or six blocks at a lively pace. A large grading plow was attached to the team, and one man was knocked down and run over by the team, but strange to say no one

A SURE SIGN.—Evidently the Un-ion-Journal man has "been there." This is what he says: "Kind, indo-

the team, but, strange to say, no one was hurt. THE RUSSELL CASE.—Thos. E. Russell, charged with an assault with intent to kill Dr. J. C. Gray, was arraigned Wednesday afternoon before Justice Geo. W. Kinsey, when he waived a preliminary examination. The justice placed the bonds at \$500. The bonds were furnished this morning at 3 o'clock and Russell discharged from custody. The bondsmen are: L. Bilyen, Thos. Swift and M. W. McMurry.

Sheriff's Sales.—Two pieces of land were sold at sheriff's sale Tuesday at the Court House. The Joveph Cole place, consisting of 182.74 acres in Tp 20 8, R 2 W, was bid in by the judgment creditor, S. H. Friendly, for \$465. The C. A. Davis property, lots 9 and 10, in block 4, of Shaw's 2nd addition to Eugene, and also 122x160 feet, was bid in by J. J. Walton and E. R. Skipworth for the sum of \$1,700.
