HIGH APPRECIATION.

It pays to make honest, pure goods. Take the success of Dr. Price's ream Baking Powder that has maintained its standard for purity and spellence for the past forty years. It is the oldest and now the only the brow of Nob hill, San Francisco. Pure Cream Tartar Powder to be obtained. Dr. Price has spent almost block. his whole life perfecting it, and enjoys the distinction of being the only envician that has devoted his time entirely to perfecting the articles whuman food that bear his name-a name and a reputation synonygous with pure food preparations throughout the land.

Here are the indorsements of the United Cooks and the Pastry tooks Association of the United States. What higher praise. Its sees whose signatures are given, are all men who have given eguity and character to their profession. Members of these associanons are the chefs and cooks of the leading hotels, restaurants, clubs ed private families, and certainly no higher commendation could be found for an article of daily use in the practical culinary art, like that ghaking powder. Here is what they say:

This is to Certify, That the Cooks of this Association, and its members, have used Dr. Price's Cream Baking spite. Powder and recommend its use in preference to all others.

A Pretty Mean Pair.

tauquan.

The champion meanest man and the most heartless justice live in Sturgis, S. D. The meanest man lost his pocketbook, containing \$250; and when the finder returned it to him, after a month spent in discovering the owner, he demanded that the finder pay him interest for the use of the money. Naturally the finder refused this unreasonable demand, whereupon the meanest man brought suit for the interest, and the most heartless justice gave the meanest man judgment for \$1.45 and costs.—Chicago Herald.

Who Made the Footprint?

Near Lincolnton, Ga., on a stream known as Fishing creek, in a shelving projecting just above the water in the stream, is a perfectly defined im print of a man's bare foot. All the toes mark is as plain as if made in plastic calls it, "thin rice." This is simply rice clay or even putty. The stone is as hard as adamant, and has been since the oldest inhabitant landed in Lincoln county, over 100 years ago. By whom and when was the track made is an interesting query, -St. Louis Re-

Insuring the Babies. One of the industries of New York is the insurance of babies. The sum paid usually is five cents a week on each child. The system is productive of good in so far that it assures very poor people against being put to ex tremes in the event of a death in the family. On the other hand, the possible and even probable abuses are obvious, for it gives heartless parents a direct personal interest in the death of one who is entirely at their mercy. Chicago Herald.

A Duke's Beverence. In Russia it is customary for all laymen, the emperor himself included, to their outward respect for the church by kissing the hands of its ministers. On one occasion it is related that a village priest, receiving a breadth of the entire peninsula begrand duke at his church door, and tween them. They have two peculiarihaving no experience of such exalted ties: When one is full the other is alpersonages, hesitated to offer him his ways empty, and notwithstanding the hand; the grand duke getting impa obvious fact that they are connected tient, exclaimed: "Stretch out your by a subterranean passage, one is bit fact, mim, he's aslape." - Harper's Ba-
