ATURDAY FEBRUARY 13, 1892. Astoria Town Talk (Rep.)

Blaine is not a candidate. That's The political horizon looks clearer since the urbane secretary of

state has retired from view. It is reported that the Salem cannery lost \$30,000 this season. The Eugene cannery is not much

behind that figure. Apologies come high, even from small countries. The preparations of the navy department to fight Chili will cost about \$3,000,000.

Governor Boyd has assumed the governorship of Nebraska. His predecessor will be known in the history of the state as the greatest Henry Wortnier, farnishing supfraud it ever produced.

W. Lair Hill has returned from Washington. In an interview at M E Bollman, supplies for Portland on presidential possibili- O E Krausse ties he expressed the opinion that Harrison was the republican favorite and Hill the democratic.

That Goddess of Liberty on the

new half dollar is a tough looking J L Page female. She looks as if she had Chas Baker, board been attending an Irish wake. The eagle has no points of superiority over the old bird that has been dis- Comegys & Gray, supplies for pau-

There is a fire bug in our midst. The city council should offer a liberal reward for the arrest of the miscreant. The incipient fire Sunday night and the fire last night L N Boney, lumber were undoubtedly of incendiary or

Roseburg Review: Hon. W. R. Willis, of Roseburg, is being spoken of as a possible nominee for supreme judge by the republicans, Bill of J C Goodale continued for and Hon, B. F. Bonham, of Salem, and Hon, John Burnett, of Corvallis, by the democrats.

The Roseburg Review is persist- G W Kinsey, J P ent for a cannery. We have some E O Potter, Dist atty fees people in Eugene and vicinity who J Koch, making map of voting once thought a cannery would supply a long felt want. They have Eugene Register, printing. lately changed their opinion on the J.E.Payton subject. The experience was cost-ly. The plant however remains E Schwarzschild, stationery.....

The report of the secretary of the S S Stephens, viewer...... state board of equalization will dis- N Fisher, viewer..... close the fact that the income of the fire insurance companies operating in Oregon were, for the year E O Potter, dist atty. 1891, \$600,000 above losses, com- F L Chambers, road supplies.... missions, salaries, rents, and all other expenses. The Solons of the HR Kineaid, printing next legislature could provide a A E Wheeler, present owners. handsome revenue for the state by requiring the payment of a per I L Campbell, printing...... cent, on net insurance incomes.

How illogreal and senseless it is that in the United States where Chas Kissinger, assistant in drawhigh wages are paid we should say high wages are paid we should say ing jury list ... that we need a protective tariff to John S Benner, assistant in drawprotect our laborers against the pauper labor of Italy, France, Ger-many and Russia, and in these Willard Hardy same countries they say they want a protective tariff to protect themselves against the industrial products of the United States and the term. Great Britain. If we need a tariff Precinct map and boundaries. Court for protection they do not. If we accepted voting precinct maps made by J. Koch, and it is likely ordered that are so fearful that we cannot compete with them why should they be changed to conform to said map, and descriptions filed herewith, and that the with us?

from the effects of the horrible within the county. nightmare, superinduced by the mention of that dangerous man, Senator Hill. Since David B. became a prominent candidate for the democratic presidential nomination no language is sufficiently strong to portray his iniquity. The only wonder now is how New York was not totally wrecked after seven years of his administration. It does not seem possible that many new and wholesome laws secured his approval and that the boys who discovered "Cole. state finances are in a better condition, with lower taxes, than ever the valley on his way to his place. before known. It must be that will be our next road supervisor. the Oregonian smeller scents a the Oregonian smeller scents a strong probability of Hill's electory by getting her head fast under a log.

ticle on Senator Hill says: When the trouble? the whole case against Mr. Hill is fairly argued, submitted and unwas buried Sunday.

An infant child of Mr. and Mrs. John Hill, of Chesher, died last Saturday and was buried Sunday. public duty. He has been for the past seven years governor of the greatest state in the Union, and Charlie Lyons came very near getting his leg broken by falling into the Long Tom creek among the logs. Better look there is not a flaw in his record, out next time Charlie. not a complaint that is not purely political. He has been, not only in words but in deeds, from first to last, a friend of the workingman, a friend of the people. He has been well. an able, honest, far-seeing, incorruptible executive. Along with ence soon. that he has overthrown republicanism in New York state. This is licans so hate him. It is time that examination in Eugene this week. a portion of the alleged democratic and fair independent press ceased abusing Mr. Hill. If they can The subscription school taught by Prot. fraud, any peculation, any malfen- al satisfaction. sance, let them do so; but they cannot. They are simply abusing the best formula of the control him because he is a democrat.
