MOTOR RAILROAD.

Surveyors in the Field Working on the Eugene-Springfield Motor Railway.

Daily Guard, March 4.

Surveyor W. H. Dunn and crew have been at work this week surveying the line of the proposed Eugene-Springfield Motor Railway. They completed the preliminary survey this morning, and this afternoon started work running levels, etc. A charter from the county will probably be asked from the commissioners court next Monday; and a franchise for right of way through the streets of Eugene at the next meeting of the council.

We understand the company will ask for permission for both electric and smokeloss motor, as the power has not yet been determined upon.

We hope the road may be built this summer as it would benefit both Eugene and Springfield.

THE SMITH MURDER.

Mr. E. F. Springer arrived home from Burnt river Sunday morning. He brought with him 21 Bob White quails for the Union Rod and Gun club. The birds were turned loose in the vicinity of Swackhamer's barn east of town and disappeared in the woods. This is the first installment received for populating this section with this choice game. The club will receive many more in the near future. They will also soon receive a shipment of Chinese pheasants and turn them loose here. This move on the part of the club is commendable and it is hoped that all our people will assist them in protecting these new game.—Republican.

CLAGGETT IS KNOCKED OUT.

WASHINGTON, March 3.—At 3 p. m. debate on the Idaho contested election case closed and the voting began. By a vote of nays 55, yeas 7, the senate decided Claggett was not entitled to the seat, and by a vote of 55 to 5 confirmed Dubois' election.

A GOOD TEAM.—The Ashland Record, a democratic paper, has the following notice concerning the prohibition speakers that were in Eugene the 5th. Wolfenbarger and Huckins are an able team in their work. Huckins does some little talking too, being the funny man. Wolfenbarger does some singing. Together they talk prohibition into the audience, sing it into them, hammer it into them, and drive it into them, any way to get it into them. A new feature is dialogue singing. They have a comic song about Levi P. Morton and his Shoreham hotel and saloon which they give in variety theatre song and dance style that takes the house down. This was the most successful meeting held in Ashland in many a year, and beats anything ever undertaken by the two old political parties.

THE MYRTLE CREEK MINES.—R. I. Cay

it was in town Thursday purchasing supplies. He is now engaged in mining near his place and expects to take out plenty of gold. He states that the Myrtle Creek Mining Co. are pushing work right along on their ditch to the East Umpqua, and are now hiring all the men they can get, and want a force of 200. Their ditch will be twenty-six miles long, and will go through the mountains some distance above his place. He has a good living stream and as it pays taxes on his water right, will force them to go around him. Mr. Cavitt understands that the company intend to flume their ditch and utilize it also for floating sawlogs to a large mill they propose to put up. They will thus be able to put a great timber belt and he thinks the plan entirely feasible for capitalists to carry out.—Roseburg Review.

ELECTION OF OFFICERS.—Oregon

Hose Team Friday evening elected the following officers to serve the ensuing year: Virgil Rowland, president; Robt. Stevens, vice president; R. M. Walker, secretary and treasurer; J. G. Miller, assistant secretary; Drew Griffin, foreman; Mid McPherson, first assistant; Walter Ross, second assistant.

JUDGES OF ELECTION.—The school

board has appointed the following judges of election: L. N. Boney, J. R. Campbell and Wm. Smith. The election will take place in the City Hall on Monday, March 14, between the hours of 1 and 6 p. m.
