

Eugene City Guard.

SATURDAY APRIL 2, 1892.

The death of Whitman moves a prominent figure from the literary stage of America.

The cold weather has stopped the growth of gardens and the blossoming of fruit trees temporarily.

County taxes will become delinquent next Monday. Collections so far have been promptly made, considering the scarcity of money.

Miller, Geer, et al are not in the congressional contest with Hermann. The wily Binger holds the top hand and will secure the prize at Portland next week.

A tariff on wool has encouraged an extraordinary production of shoddy. The average American citizen wears considerable shoddy for which wool prices are paid.

It is reported that in Marion county nine out of the fourteen delegates to the state convention will support Burnett for district judge, the other five being for Judge Boise.

N. Y. World: In Germany, unlike Great Britain, it is not the adverse opinion of the legislative body but of the emperor that compels the resignation of a prime minister. The similarity between the two governments is marked by an enormous difference.

There is no question that the hop louse is with us to stay but from the best of information buyers exaggerate the damage done by the louse to the hop, and growers have been unnecessarily frightened into allowing hops to remain unpicked that would have been merchantable. A large acreage has been planted in the Willamette valley this season. Lane county growers, however, have not done much in the way of new yards.

Whenever practicable, says the Portland Telegram, men confined in county jails, should be put to work upon the city streets or county roads. There is always need enough of such work, and these men ought to be made to help out the taxpayers, whose burdens have rendered heavier, to the extent of improving the county highways. Of course, this is not always practicable, but it is many instances it may be.

Eugene subscribed \$2000 for a Fourth of July celebration. Now a subscription of that amount will start the cannery into operation for this year and in all probability place it on its feet so that operations can be more largely conducted in the future. The past experience is a guarantee that the management of the company will in the future be careful and economical. Eugene should not allow this enterprise to fail. It will not only provide labor for idle hands but furnish a market for the products of gardens and farms in the vicinity, and the orchards that are now in bearing, will encourage growers who have planted largely this season and stimulate others to engage in planting orchards.

If every man and woman were to be visited by a tariff tax collector in person and required to pay directly to such an individual a certain percentage of the amount of all their purchases, the high tariff party would be swept completely out of existence by a rightfully indignant people. The party of high taxes has succeeded, however, by insidious advance on the pocket books of the people to gradually increase the tax paid the tariff pets without making the object or the effect of their policy so apparent as to cause an actual social upheaval. They are skillful knaves, all admit. But it is the old, old story of the speculator's downfall. At first but a little taken, then more and more still, as a mistaken sense of security steals upon them, until overbold, they betray themselves by a sudden and excessive steal. This has been the history of the tariff. It has grown with the thing it fed upon. And but now, emboldened by their success in the past, and their appetite for spoils, whetted by the tribute already paid by the people seemingly without protest they pounced upon the individual purse, so ravenous for its contents that they forgot disguise and appeared in their own proper persons.

BAKER COUNTY DEMOCRATS. BAKER CITY, Or., March 30.—The Baker county democratic convention, which has just adjourned in this city, nominated the following ticket: Representative, William Smith; sheriff, P. A. Conde; clerk, J. A. Payton; recorder, H. E. Freelove; assessor, J. F. Dooley; treasurer, S. B. McCord; commissioner, J. H. Hutchinson; school superintendent, W. R. Privett; surveyor, B. Gale; coroner, Dr. T. N. Snow. Delegates to state convention: George Chandler, G. B. Small, J. C. Travillion, B. Gale, E. D. Carter, L. Mendelson, James Richardson. A vote of the convention was taken showing the choice for president, and resulted as follows: Cleveland 58, Hill 17, Palmer 4, Bland 3, Springer 2, Boies 2, Flower 1, Gorman 1, Carlisle, 1.

CHIEF JUDGE.—The Roseburg Review says: For circuit judge in this county, Fullerton secured 8 out of 9 delegates, and in Lane county Woodcock gets 5 and Condon 3; Benton is solid for Hufford, and Coos and Curry, the remaining counties in the district have not been heard from.

Daily Guard, March 30.

An adjourned meeting of the council was held in the city hall last evening at 7:30 o'clock.

Present—Mayor McClung, Councilmen Osburn, Preston, Griffin, Walton and Dorris. Absent—Councilman Page.

Councilman Walton, from the judiciary committee, presented an ordinance regulating sewer connections, which was read. Pending further action on the ordinance, the finance committee reported adversely to granting the treasury extra compensation as asked for. Report adopted.

L. Bonney presented petition for privilege to build a corrugated iron ware room; granted. Also a like petition from Osburn & Delano, was granted.

An ordinance granting to the Springfield Electric Light Co. the right to construct, maintain and operate an electric light system within the city limits was read. Pending discussion on the ordinance, Council adjourned until Friday night.

Democratic primary Saturday. A full attendance is desired to select delegates to the county convention and transact such business as may come before the meeting.

An Irrigation Project Completed.

At 11 o'clock Saturday morning, amid the playing of the band, firing of anvils and the loud huzzahs, the first twenty-five mile section of the Northern Pacific, Yakima & Kittitas Irrigation Company's great canal was formally dedicated and the waters of the Yakima river turned into the channel, which is to be the medium of reclaiming 75,000 acres of arid land. The early morning train from Tacoma brought Paul Schultze, the president of the company, who was accompanied by a large party of distinguished men, desirous of witnessing the ceremonies and inspecting this great work, which is but the beginning of the most important system of irrigation canals in America.

South Eugene Nominating Conventions.

The South Eugene precincts met at the Court House, Wednesday and placed in nomination delegates to be voted for at the primary election Saturday.

South Eugene No. 1 elected J. P. Ramsey, chairman and R. E. Bristow, secretary. Delegates nominated: J. P. Ramsey, R. E. Bristow, Sidney Scott, S. A. Odgen, Frank Close and A. M. Osburn.

In South Eugene precinct No. 2, Hon. John Whiteaker was elected chairman and P. E. Snodgrass, secretary. Delegates placed in nomination: John Whiteaker, J. D. Matlock, A. G. Matthews, Clem Hodess, T. G. Hendricks, J. H. Goodman, H. N. Crain and Wm. Blanton.

The Cannery.

The committee is around soliciting aid for placing the cannery on its feet again. Thus far they have met with considerable financial encouragement, and that is what is wanted. Wind work is useless, and not wanted or desired.

Again would we repeat, subscribe to the bonus or take a share of stock. It will enhance the value of every lot and business in our city. Eugene cannot and must not let this enterprise depart.

ROSEBURG. L. Lockard to R. Williams and Lyman Sylvester, lot 2, block 1, Ellsworth's second addition; \$400.

COUNTRY. W. D. Taylor to Wm R. Walker, 27 acres in T 17 S, R 6 W; \$127.50.

J. E. Butler to Wenzel Baker, 60 acres in T 16 S, R 5 W; \$846.

S. R. Williams and Lyman Sylvester to L. Lockard, 70 acres in T 18 S, R 4 W; \$1400.

BY A FALLING TREE.—Roseburg Review: E. A. Sanders, employed by the Myrtle Creek Mining Co., met with a serious accident Saturday morning while working in the mines. A severe wind storm came up, blowing down a tree which struck Mr. Sanders, fracturing his leg below the knee and injuring him otherwise. Dr. Ozias, of this city went out and attended him, and it is thought the result will not be serious.

STRANGE CONDITION.—Mr. Koeh, the draughtsman, is making a map of Cottage Grove and additions. From all the plats filed in the office of the county clerk, he finds that the streets of that town have never been christened. This is certainly a strange condition of affairs. What other town in the United States of 700 inhabitants is there that the streets have not been named?

INTENTIONS DECLARED.—Martin Hoffman and John Schneider, natives of Germany, and Wm. Mathers, a native of Great Britain, at the March term of the county court, declared their intentions of becoming citizens of this great and glorious country.

ROSEBURG, Or., March 26.—At the republican county convention today the following ticket was nominated: State senator, A. W. Reed, of Gardiner; representatives, O. C. Brown, of Deer Creek, H. G. Brown, of Elkton, P. Cooper, of Roberts Creek; county clerk, F. W. Benson, of Roseburg; assessor, Charles McGee, of Oakland; treasurer, W. A. Frazer, of Ten Mile; assessor, James Sterling, of Drasin; school superintendent, J. A. Underwood, of Oakland; commissioner, E. G. Young, of Oakland; coroner, N. J. Ozias, of Roseburg; delegates to the state convention, G. J. Stearns, David Hughes, R. B. Dixon, J. L. Watson, W. A. Perkins, C. N. Huntington, M. M. Melvin, A. E. Ozoul, R. A. Woodruff.

HEARD FROM. PORTLAND, March 27.—Durand, the organ dealer, who left this city a few weeks ago, owing many thousands of dollars, has been heard from in the City of Mexico, where he is selling organs. He says he will return to Portland if his creditors will not prosecute him.

A Majority of Two. New York, March 29.—A Washington special says: From a canvass of the senate, Teller claims a majority of two in favor of the free-coinage bill. Anti-silver men, however, claim a tie vote with the power to decide in Morton's hands. He would vote against the bill.

Help the cannery start up and thereby inform the outside world that Eugene will encourage worthy enterprises.
