THE CRY OF MILLIONS OH, MY BACK!

SOON IT WILL BE TOO LATE. I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was been over. When I sat down it was almost impossible for me to get up alone, or to put on my clothes, when kind Providence sent Dr. Henley, with the OKEGON KIDNHY TRA, to my hote! I immediately commenced using the tes. It had an almost miraculous effect, and to the astonahment of all the guests at the hotel, in a few days, I sm happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been.
