New York, Aug. 14.—The Western democratic campaign fund inaugurated by the World, starts off with the following sub-

Fellows cemetery at Cottage Grove, Thursday, under the auspices of the G. A. R., of which deceased was a mem-

a few weeks visiting here.

George Winslow was the Prst colored man to reach Oregon. He came
from California in 1834 with Ewing
Young. In 1840 the ship Albatross,
from Boston, entered the Columbia
river and sailed up as high as Oak
Point, where the captain erected a
house, after having cleared the land. So far as any record goes, this was the first house built in Organi. 'Lee Parker and Whaman' were the first mis-

first house built in Organ. Lee Parker and Whitman where the first mission arises. They came in answer to a call from the Indians made in 1832. The first printing press received in Oregon came as a donation from the American board of foreign reasonable in the Sandwich Islands to the mission of the board of Oregon. It reached its destination at Lapwal and was put in operation by E. O. Hall, who printed books in the Nez Perce language. Both Mr. Spaulding and Mr. Rogers soon learn of toe type. This was in 1839 and this same press is now at the state house in Salem.

State more I. C. Young for the insurance tanger and better town that Roseburg and free delivery hash's even been called the talked of.

THE HARVEST.—Reports from a number of places in the county are minor children, on the ground of ernel and the wheat crop is turning out in the Sandwich Islands to the mission of the board of Oregon. It reached its destination at Lapwal and was put in operation by E. O. Hall, who printed books in the Nez Perce language.

Both Mr. Spaulding and Mr. Rogers soon learn of toe type. This was in this community took her departure with the female minstrel show.

DEPARTED.—A girl agred about 17 seeks with eightiven boys and six girls affect over 30 years ago. It is a deed conveying 20 acres of land two miles south of Eugena in fest of the North Pacific Turnbezirk.

### Springfield Items.

Messanger, Augs 12,

Postmaster Yerrington has just received word from the department announcing that all bids for carrying the Springfield mail be-tween both the S. P. routes have been re-

to remain there.
Willamette valley people have small bids for carrying the Springfield mail between to go to the ocean to get a more comfortable temperature. There is better reason for climbing the mountains for recreation and exercise. The most would carry the mail for \$400. According to the present of t

Solomon Wood, an eastern Oregon horse, man who has a band of horses for sale at

ers are swallowed up, leaving nothing but a faint murmur to show their passage through the bowels of the earth. In many of the caverns an army of men could hide, and in some places the intense heat of the rocks is evidence that internal fires are rocks is evidence that internal fires are burning. In all parts of the county mammond in the springs may be found belching forth water strongly impregnated with minerals, and often close by will be found caves of purest ice. Medicine lake is a wonder that draws many visitors annually—a body of water that draws many contain a light that draws many visitors annually—a body of water that does not contain a living

A CUTE CASE.—There was an exciting race in So laville last week which had it not been witnessed by a Ledanon Advance reporter would never have been given to the public. Errost Case and wife visited Sodaville and while there lead or drove his horse across the sidewalk. The mars alover on the alert for transgressors of the town ordinances, arrested Mr. Case. Mr. Case whispered to his wife to get into the buggy and drive beyond the town ordinances, arrested Mr. Case. Mr. Case whispered to his wife to get into the buggy and drive beyond the corporate limits and he would make it appear that she was the guilty party. A CUTE CASE. - There was an excitappear that she was the guilty party. Mr. Case was taken before the recorder

The audience was composed entirely of men, and for the benefit of the lonesome wives, mothers and sisters we would say that it is expected large taken of the bald heads in attendance taken of the claim taken of the case was continued until the fugitives were safely over the line. Mr.

Case and wife drove leisurely toward time. Residents should have sume. The time. Residents should have sume. The price taken of the case was continued until the fugitives were safely over the line. Mr.

Case and wife drove leisurely toward Mr. Case was taken before the recorder laid the blame on his wife and was discharged. Then began an exciting race, Mr. Case after the vehicle, urging his wife beyond the corporate limits, the marshal bringing up the rear. The race was continued until the fugitives were safely over the line. Mr. Case and wife drove leisurely toward the understanding will make it much

Mrs. Leo Gerhard, of this city.

A BAND CHALLENGE.—The 'Grants Pass band has issued the following challenge: The Grants Pass cornet band hereby issues a challenge to any local, resident and regularly organized band it. Oregon, of fifteen members or less, to a contest of \$100 a side, for any and all bands. The winning band to take 70 per cent of the whole amount; the next best 20 per cent and the third 10 per cent. The contest is to consist of a series of concerts to be given at the opern house at Grants

Bishop Morris, writing from Bes-wick to the Klamath Star, says: "Among all the fine catches of trout in the Williamson river this summer hand into the cylinder of a threshing machine last Friday, while working on John Rickard's place, says the Carvallis Times. His hand was terribly mangled and every finger but one was amputated.

Oregon City Courier: In the county commissioners' record of September, 1850, occurs this entry: "It was ordered that the \$12 be allowed William Holmes for boarding Indians while assisting Mr. Crawford in surveying of county seat." In the entries for December occurs: "Two Indians for work about court house for surveyor, \$17.

Two Indians for work about court house for surveyor, \$17.

Two Indians for work about court house for surveyor, \$17.

Two Indians for work about court house for surveyor, \$17.

Daily Guard, August 12.

# Oregon State Fair.

The State fair for 1892 commences on the Tom Stearns less a valuable horse Satur-day night. The dead animal was hauled out of lown Sanday morning on a wag-a.

12th day of September, and lasts one week. The State Board of Agriculture has made out of lown Sanday morning on a wag-a. C. H. Page, the Florence lighthouse contractor, is in the city.

It is estimated there are 700 visitors at Newport. The bathing is said to be fine.

Where the florence lighthouse of those people go down by the deep, sad sea in dog days than of those who enjoy draughts from the ocean all the livelong year.

Then the mountain climbers and the page during Will's absence.

Where the florence lighthouse of those people go down by the deep, was and visitors. There are two electric street railway lines running from Salem to the Fair grounds, thus affording rapid transit to and from the grounds to the city.

Then the mountain climbers and the page during Will's absence.

Where the florence lighthouse of those people go down by the deep, was and visitors. There are two electric street railway lines running from Salem to the Fair grounds, thus affording rapid to the Fair grounds to the city.

The page of those people go down by the deep, was all the page of those people go down by the deep, was all the page of those people go down by the deep, was all the page of those people go down by the deep, was all the page of the page o Mr. Rostein of Albany was inlown Saturday, looking for a business location. He selected two lots on Main and 6th streets and talks of putting up a store building 50 foot front to be occupied with groceries, dry goods, clothing, etc.

The exhibits in all department promises to be large, being stimulated by the offer of liberal premiums. The grounds and the in will be lighted by electricity, and the pavilion will be opened four nights during the week. Good music will be furnished for the pavilion concert each evening, and on the grounds during the week. Futures The bodies of Mrs. Simmons, sister to on the grounds during the week. Entress for premiums will close at 3 p.m. the first taken up from the old cemetery, Sunday, and placed beside Mrs. Simmon's husband. Mrs. Simmons was buried here over thirty years ago.

How parting concert each evening, so on the grounds during the week. Entress for premiums will close at 3 p.m. the first day of the Fair, and all those who can make their entries on Friday and Saturday before will avoid the crowd. All exhibits must be in place by 10 p. m. of the first day of the

Send to G. W. Watt, Asa't Secretary, at Salem, Or., for a premium list.

Saturday afternoon shortly after 4 o'clock B. W. Kiarns, Allas A. J. Smith, one of the jail contractor, was arrested by Deputy Sheriff Croner on a warrant charging him with obtaining money under false pretenses. He was given a hearing in the evening before Justice Kinsey, who deeming the evidence insufficient, ordered his discharge. It dence insufficient, ordered his discharge. It appears that those doing business with said A. J. Smith, including his partner, W. J. Anderson had no other idea but that was his true name, and therefore he merely deceived them, but committed no crime. Smith, Kiarns, or whatever his name is, has disposed of his interest in the jail contract to his partner, Mr. Anderson, who will complete the same.

Good Times,—Independence West Side: From the amount of travel to the seaside and the different "soda" The Klamath Falls Express says further:
"Perhaps no other part of the world, excepting, perhaps, the Yellowstone Park, contains so many natural curiosities as Modoc equuty, California. The first from a historical point of view, is the famous lave beds—scene of the Modoc war—a country of rocks so full of cares that lakes and rivers are resulted to the country of the window at the gay excursionists as they pass by. The best we can do is to take an hour or two off and go to the circus, and not even

consist of a series of concerts to be given at the opera house at Grants Pass. The challenge is open to every town and city in the state except Portland and Salem. For further information address Frank V. Jeffers, Sec., Grants Pass, Oc.

Bushop Morris, writing from Beswick to the Klamath Star, says:

attend the examination.

ARRESTED FOR ARSON. Aspt. John Dove, Dave Young and C. A. Pyburn was arrested at Salem you could you the charge of arson, it being charged that they burned the steamer R. C. Young for the insurance money. They are in jail.
