I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over. When I sat down it was almost impossible for me to get up alone, or to put on my clothes, when kind Providence sent Dr. Henley, with the OREGON KIDNEY THA, to my hote! I immediately commenced using the tea, It had an almost miraculous effect, and to the astonshment of all the guests at the hotel, in a few days, I am happy to state, that I was a new man. "Homestead has a population of nearly 8000, of whom 3000 are men over 21 years old. Yet, at last fall's state election it cast only a few more than 800 votes. This is because the bulk of its male inhabitants are unnaturalized foreigners. This is a fact worth pondering."

And it would be well for the American laborer to "ponder" over It shows that those benefitted by the McKinley law exercise the privilege of buying their labor in the cheapest market of the world, and the law imposes no duty upon imported pauper labor. Under it the manufacturer enjoys protection in what he has to sell the American laborer, and free trade in the employment of labor.
