Peoples Party Club, Etc.

EDITOR GUARD: On the evening of September 17th the citizens of Coyote and Spencer precincts met at Palestine church and organized a peoples party club with 25 members; J. W. Smith, president, John Jenkins, secretary. At their next meeting on the 24th there was quite a crowd present, for it had been rumored that Prof. Williams but they failed to show up. There were some very able addresses made by members of the club, after which there was a call made for membership. Ten came forward and had their names enrolled. There was a resolution offered challenging any democrat or republican to meet the club and debate the finance question. The Lane County Alliance will meet

at Eugene on the third Saturday of Brothers and sisters of the order, please come out in full force for there is considerable work to do.

The club at Palestine meets at night on the first Saturday of October. On the night of the second Saturday the citizens of Spencer creek will meet at the school house to organize a peoples party

It Has Arrived.—The Salem Statesman says: Workman are once more hard at work on the state house dome, the steel girder having arrived yesterday. It is from the Carnegie Iron works, at Homestead, and bears evidence of it by having "scab material" written all over it. There are eight sections and they will be put up and belted together on the top of up and bolted together on the top e eight columns. Besides receiving support from the latter the girder will rest on the four walls surrounding the rotunda. As soon as it is in place the bricklayers will commence the brickwork that is to rest upon it.

OFFERS FOR HOPS.—The Salem Statesman of Wednesday says: There have been no offers for hops until now. own method of treatment, which is far superior to the hot springs, requires less time to cure and is much less expensive.

Piles, fistula, rupture, hydrocele and varicocele, Dr. Reeves has treated over nine hundred cases of the above diseases without a single failure, and he especially invites all persons suffering from the above complaints, to call on him and learn his methods of treatment. More than one-half of his cases had been treated by other doctors without the least benefit.

Ladies.

Dr. Reeves cures with unfalling certainty, those manifold ills that render the life of woman miserable. Sick headache, weak back, alceplessness, nervous deblity, all forms of uterine displacement, too frequent, profuse, scanty, painful or delayed menatruation, that drain upon woman's vitality; leucurhoss or whites, and all the terrible effects of the accidents incident to childbirth.

Oh, could be control the arm of FATE! or had he his life to live over again, then we could not appeal to pour more sincerely. Let your mind wander back to the cheriabed counsels of a LOVING FATHER, and remember what you are today. Though you may for the present fill your station in society, the time is as inevitable as FATE, when your being liancy will like a FLASH depart, leaving you a stranded wreek—desolate, forgotten and lost; so embrace the opportunity and enjoy life and happiness longer. If you claim to be a man, act your part manly. Do not console yourself with the thought that nature will help itself, for in doing so you not only fan the flame, but ware and yourself. Remember, "Large oaks from little acorns grow," "Little ills germinate fatal diseases."
