Her remains were interred in the Odd Fellows cemetery

Corvallis Leader (managed by Henry Pape) has sold it to Frank Irvine, who has also purchased the Times, con-ducted by Robt. Johnson. Those jour-nals will be consolidated under the name of the Times and conducted in the interest of the democracy.

The artists who draw pictures relating to New Year are yet in the old rut. A fat little infant labelled "1893" ap-The levee which extends down the Yaquiye, bay quite a distance below the docus at Yaquina City is being im-proved. Great piles are being driven in front of and as near the cribbing as may be, forming a great wall. It is pears in the foreground and a ninety-year-old cripple marked "1892" is being kicked off into oblivion. It must be consoling to the cherub to realize how old he will be in December 1894. may be, forming a great wall. It is somewhat expensive, but it will keep the levee intact for many years.

A proposition from the McMinnville T.-R.: "The desire for better roads is becoming very pronounced and legislation in the matter is a necessity. We move that a meeting of delegates be held in Salem during the meeting of the legislature and that the county court of each county appoint ten delegates to it? Do we hear a second?" The total taxable property of the city of Portland for the year 1893, is \$45,-432,825. This is \$100,000 less than the total taxable property of 1892. The assessment law needs revision when everyone knows that the wealth of Portland has increased 20 per cent during the year past and the taxable property grows smaller each year.

E. E. Dickey, of Elgin, reached af-ter a knife which he had dropped through a hole in the floor of a store in GEO. W. KINSEY, AUCTIONEER. through a hole in the floor of a store in that town and was bitten by a rattle-snake. Prompt medical attendance saved his life. It is supposed that his snakeship had crawled under the building during the summer and had been kept active by the heat of the stove. When you want your goods, house-hold furniture or land sold at auction, call on Geo. W. Kinsey, the pioneer and most successful auctioneer in Lane county. He will attend to all sales on

Albany Democrat, 23d: Rev. Lig-on, who was injured by a falling awn-ing Wednesday evening at Corvallis, was reported in a critical condition this morning, not having regained his consciousness since the accident, and it was thought be could not recover. All persons in Lane county owning scabby sheep or sheep afflicted with other diseases, are hereby notified that said sheep must be thoroughly dipped, sufficient to kill said disease forthwith. It was estimated that 2000 or 3000 brick fell on him besides the awning, be-sides crushing his skull, breaking three ribs and a leg. The accident cited general attention in Corvallis. Awnings are an eye sere besides being sheep dipped by the Inspector at said person's expense. Take notice and dangerous even without big snows, and all growing and live towns should do away with them. For Wooden and Willow Ware, go to GOLDSMITH'S

The Benton Leader, of Corvallis, is responsible for the statement that, not withstanding reports to the contrary through the Associated Press, the reorganization plan originally adopted by the bondholders of the Oregon Pacific was again accepted at the meeting on the 14th inst. by a very large majority, and that a contrary report proposed by some members of the reorganization committee was refused to be adopted by the meeting; and was laid on the table by a correspondingly large majority. The bondholders, it is stated, are actively engaged in raising the sum required to complete the pending purchase.

The Benton Leader, of Corvallis, is fruits. A small quantity would for our fruits. A small quantity would have no effect whatever. Enough along time to be sufficient to be sent to bring it into popular favor. For these reasons we believe a society for the discussion of our fruit interests would be of great benefit to those interested, and prove a stimulant to orchard and fruit growing. The more we have in one locality the better the market will be. Buyers will come for car load lots where a small quantity would not be noticed.

The Benton Leader, of Corvallis, is fruits. A small quantity would have no effect whatever. Enough along of our fruit interests would be of great favor. For these reasons we believe a society for the discussion of our fruit interests would be of great benefit to those interested, and prove a stimulant to orchard and fruit growing. The more we have in one expension of our fruit interests would be of great benefit to those interested. Shanewell offered a large sum of money to hush up the case, but was fined in court next morning. He is a son of a member of the Ohio legislature and a warm personal friend of Colonel Poorman, the present secretary of state. His friends claims that he is insulated. The proposed by the meeting of the Ohio legislature and a warm lead of the Ohio l

substantial fishway at the Willamette falls would be of great benefit to the salmon industry. The fine gravel of the Willamette river and tributaries is the natural spawning place of the salmon.

By the last census the total wealth of the United States is \$62,-610,000,000 and the total capital invested in manfacturing \$2,900,-735,884, or but 5 per cent of the whole. After thirty years of legislating for the 5, it is now time to give the 95 a chance.

Steelhead salmon are running now at Coos bay, but the law does not permit of catching them at this season. The steelhead is a good table fish, and makes its appearance at the close of the silverside season. They are at their best during the winter months, and we see no reason why the law should not land. be so amended as to permit of their being taken.

A law to make train wrecking a capital offense would meet with approbation. The recents attempts to wreck Southern Pacific trains have intensified popular feeling on this subject. It is not easy to imagine the horrors that might result from the wrecking of a passenger train. No mercy should be shown a fiend that would deliberately endanger innocent lives.

There appears to be no room on earth for the exiled Russian Jew except in the grave. Russia strips them of their possessions and turns the miserable poverty stricken wretches loose on other nations, who resent and refuse the contribution. Russia calls itself a Christian nation, but if the Syrian Jew whom the ezar worships as his Saviour was to appear in the gorgeous, holy Kremlin at Moscow, Switzerland, has been suppressed he would be grabbed by the gen at the instance of the women there, who object to its publishing their

An interesting matter will come be-

An interesting matter will come before probably the next County Court of
Lian county. It is this: In August,
1875, Sherfe L. C. Bice arrived in Albany from atax collecting tour, with
\$1,000. It being late he deposited it in
the vault of the County Clerk's office,
from which it was stolen during the
night. The case created a stir and
caused considerable comment. It is
caused considerable comment. It is
fresh in the minds of many of the citizens. Mr. Rice paid the money into
the county out of his own pocket. The
county will be asked to refund the
money to him, and a petition is being
circulated for that purpose. circulated for that purpose.

OVERLAND LATE.—The overland which should have arrived here this which should have arrived here this morning was delayed in California. A bridge was out at Marysville, necessitating a gourn to Woodland and taking the other branch to Tehama. It is supposed to be eighteen hours late and and if attended by no other mishap, will protocly arrive here about 9 o'clock this evening.

Banta, all of Lane county, Oregon.

A conductor on a New York railway suggests that the 100,000 railroad employes in that state subscribe \$\frac{1}{2}\$ per month, each, or \$\frac{1}{2}\$,

200,000 per year, for the purchase
of railroad stock—with the idea
that giving to employes of the road
a voice in the management of the
railroad-will enable them to obtain
better salaries and prevent strikes.
It appears doubtful, however, at
this writing, if the 100,000 employes will unanimously agree to
subscribe—human nature is what
usually stands in the way of such
dreams.

The grippe has again made its
appearance in New York City.
