FORGERY.—Corvallis Gazette: The bank of Hamilton, Job & Co. was victimized to the tune of \$320 on Friday last through a clever piece of forgery on the part of one James Baker, alias Condy, alias McKinney, a young man who had made his home in the winter with Lew Patterson on Soap creek, whose name he forged to a check. He had at one time been given a check for a small amount, which he kept and imitated in filling out a blank for the above stated sum, and so perfectly he did it that Mr. Patterson, who signed the check, did not detect the forgery.

A MANAGER DISCHARGED.—Albany Democrat: It was reported this afternoon that Wm. M. Hogg had been discharged as manager of the Oregon Pacific, a position that the receiver will fill at present. Rheumatism Quickly Cured. Three days is a very short time in which to cure a bad case of rheumatism; but it can be done, if the proper treatment is adopted, as will be seen by the following from James Lambert, of New Brunswick, Ill.: "I was badly afflicted with rheumatism in the hips and legs, when I bought a bottle of Chamberlain's Pain Balm. It cured me in three days. I am all right today; and would insist on every one who is afflicted with that terrible disease to use Chamberlain's Pain Balm and get well at once." 50 cents bottles for sale by Osburn & DeLano, Druggists.

Mothers' Recommendation. We are acquainted with many mothers in Centerville who would not be without Chamberlain's Cough Remedy in the house for a good many times the cost, and are recommending it every day. From personal experience we can say that it has broken up bad colds for our children.—Centerville, South Dakota, Citizen, 50-cent bottles for sale by Osburn & DeLano, Druggists.

An Explanation. EUGENE, OR., March 8. EDITOR GUARD: Since I have sold out my photo business I have been asked by numerous persons as to where I was going and what I was going to do. I will say a going to the bank and pushing the piano and organ business for all there is in it, after April 1. I can save a purchaser more than the price of a ticket and expenses to Portland and return, and will prove it to them if they will only give me half a chance. Why can't I handle the world-renowned piano and organ business? Other good makes which I get direct from headquarters and which I can do no better. I have no high rents to pay (owning my own store room). No travelling expenses and hotel bills and am not out a good salary for whisky and cigars, so why can't I undersell outside competitors on long ways. Please tell the good people, (my friends,) not to be "taken in" by these "golly-tongued" individuals that are here today pulling their door bells, and gone tomorrow, goodness knows where. Compare their reliability with Yours truly, F. A. RANKIN.

The above gentleman has been in business here for a number of years, spending his money here and has always been one of our most energetic business men. CLEVELAND AS PRESIDENT. Great Tariff Reduction.—You May Thank the Democratic Party For It. A PECULIAR WAGER. E. J. Frasier, the well known real estate dealer of our city, made the following wager with a friend on the result of the presidential election. If Cleveland was elected, immediately after inauguration, Mr. Frasier would reduce the price of his lots and sell three lots for \$90.—One in Eugene and two in Florence, \$25 each and \$55 in a six month WITHOUT INTEREST, or a discount of 20 per cent for all cash. But if Harrison was elected, his friend was to buy all the lots he had at \$50 each. You all know the result, and Mr. Frasier proposes to carry out the conditions of his wager. This, without doubt is the greatest opportunity ever offered the public, and those who fail to take advantage of it will lose a golden chance for an investment. Every one knows the Eugene lots are worth the price, and for the purpose of showing to the public the kind of property the Florence lots included in this offer are, the following affidavits have been furnished us for publication: TO WHOM IT MAY CONCERN:—I hereby certify that I was the original owner of the property known as Frasier & Berry's part of Florence, which E. J. Frasier is now offering for sale. That the same is perfectly level and free from drifting sand. That fruit trees and shrubbery do well upon said land and the same is desirable for resident property. J. G. STEVENSON, ex-Supt. Public Schools, Lane Co., Or. Subscribed and sworn to before me this 5th day of March, 1892. [SEAL] JOSEPH A. MORRIS, Notary Public.

TO WHOM IT MAY CONCERN:—Being first duly sworn, I depose and say: That I have been a resident of Florence, Lane county, Oregon, for the past twelve years; that I am familiar and well acquainted with the property known as "Frasier & Berry's part of Florence," that the same is admirably suited for residence property, being fruit level and free from sand; that fruit trees and shrubbery grow well in the soil and that pure well water is found on the same at a depth of from ten to fifteen feet. JOSEPH A. MORRIS, Merchant. Subscribed and sworn to before me this 2nd day of March, 1892. L. BILVEY, Notary Public.

The above described property is within the TEMPORATE LIMITS of Florence. Persons wishing to take advantage of this opportunity who live out of the city may send direct to E. J. Frasier for blank applications and descriptive circulars, and as there are no undesirable lots in either the Eugene or Florence tract, he will make the selection for you. PERSONAL.
