An ordinance has been passed at Pasadena stipulating that beer and wine can only be served with 20-cent meals, and only between the hours of 11:30 and 1:30 and 7:30 and 9:30, and providing for a fine of not less than \$100 nor more than \$300 for each violation.

The Anti-Debris Association in meeting at Sacramento adopted resolutions in opposition to the Cinnabitt mining bill. The association does not believe the bill will protect the land and rivers from injury, and proposes to appeal to the courts whenever such injury becomes apparent.

The Lamarettia vineyard at Fresno last season brought two carloads of boys from San Francisco, and set them to picking grapes. The boys' ages ranged from 14 to 18 years. Some of them ran off, and some landed in jail, but the general result was satisfactory. They picked more grapes than an equal number of Chinese and for less money. It is probable that the experiment of last season will lead to a more extensive one this summer.

At a meeting of Mayor Elliott and a number of citizens the other night it was decided definitely to hold a mid-winter fair in San Francisco, and it was further decided to place the matter in charge of a committee of eleven to be appointed hereafter. The committee will meet Manager Corby upon his arrival from Chicago, and with him begin actual preparation for the enterprise. Much enthusiasm was manifested at this meeting, and a spirit of confidence was shown that money can be raised, sufficient interest enlisted and all things necessary be done, even in the short time between the present and the close of the Columbian Exposition to make the fair a success.

A gentleman of Olympia, Wash., has conceived the idea of utilizing the water power of Tumwater, a suburb, in generating electricity for the work of dredging Olympia harbor and removing the tide lands. At low water the falls at Tumwater produce 9,000-horse power, and a proposition for the utilizing of this power has been made to the company controlling it. The officials of the dredger company have asked the light and power company for a formal proposition with all things necessary be done, even in the short time between the present and the close of the Columbian Exposition to make the fair a success.

The Methelists will not withdraw their exhibit from the World's Fair. After three hours' discussion a committee decided to cover up all exhibits of the church Sundays, and all members of the church are asked to do the same with their individual exhibits.

Canada outstripped her competitors in the June exhibit of cheese. There were 667 exhibits, mostly of factory cheese. Of these 135 scored high enough to win medals or diplomas, 126 of them being Canadian manufacture. Thirty-one Canadian lots scored higher than any from the United States, ranging in excellence from 90 per cent down.

The council of administration will hereafter have full authority over all matters of general administration connected with the exposition. The directors have adopted the report of the executive committee as outlined last week. This action abolishes all the committees of the local directory, except the executive, finance and legislative, and charges the council of administration with carrying out the wishes of the directors. The council has been given authority to discharge or employ any officers.
