Why not go to work and improve the wagon road from Eugene to deep water on the Siuslaw, so that a team can haul as much as from Corvallis? The distance is only about twenty miles greater, and the cost of reshipment by rail, will more than compensate for hauling the twenty miles extra distance. Why not have a good portion of the freight destined for Lane county, come direct into and float for 25 miles inland on a Lane county river, then to be taken up and delivered at the doors of the owner or shipper by Lane county teams?

That's the way Dr. Pierce's Pleasant Peliets come. And it's a more important point than you think. It keeps them always fresh and reliable, unlike the ordinary pills in cheap wooden or pasteloard boxes.

They're put up in a better way, and they are jut up in a better way, than the buge, old-fashioned pills. No griping, no violence, no reaction afterward that sometimes leaves you worse off than before. In that way, they cure persumently. Slok Headache, Billious Headache, Constipation, Indigestion, Billious Attacks, and all derangements of the liver, stomach, and bowels are prevented, relieved, and cured. They're tiny, sugar-conted granules, a compound of refined and concentrated vegetable extracts—the smallest in size, the smalest to take, and the cheapont pill you can buy, for they're guaranteed to give satisfaction, or your money is returned. You pay only for the good you get.
