scended, that even the Almighty was sorry to furnish the day named by our crank Governor for his pri- three vate Thanksgiving.

observe Thursday as ordered.

Preparing His Message.

Washington, Nov. 21.—President Cleveland spends a large share of his time preparing his annual message to congress. It is said the Hawaiian matter will be presented in the regumatter will be presented in the regular message. The probabilities are the message will be a long one, owing to the entrance of several subjects to be discussed not only on the Hawaii an matter but on the tariff.

State Heard.

paid out by hun, the said amount of money on hand at said date.

This bill recites that, as Treasurer Malarkey withilly and unlawfully failed to file such a report and "is guilty of nonfeasance in office" contrary to the statutes provided in such cases.

meeting of the board of agriculture was held today at the capitol. All the members but one were present. The revision of the premium list and the arranging of the speed programme were referred to special committees to were referred to special committees to amount of money he had turned over examine into and report at the next to the treasurer each month. examine into and report at the next meeting: The election of officers resulted: Win. Galloway, president; J. The charges against T. C. Powell, sulted: Win. Galloway, president; J. The charges against T. C. Powell, the county clerk, are substantially the same as in the cases of the treasurer and sheriff.

There will be a very interesting session of the criminal court tomorrow board meets the second Thursday in when the officials are arraigned. When

THE STHANDED BAFT.

MARSHITELD, Or., Nov. 21.—The Malarkey was, "I am open to investi-big raft is still on the sand alongside gation at all times; that's all," the jetty. The rait moved ashore about 30 feet today and five of the afterchains were carried away, letting out another lot of piles. The tugs towed on the raft at high tide when it was afont, but were unable to move it. Ceptain Roberts is still sanguine, and with the aid of blocks and gear which he got today he thinks he will get to raft off temorrow.

LATER. The pile rall is again moored safely in the bay. Only 400 piles were lost. The raft will be ready for the sea again

in 1 or three days. A Hartsher Lynches.

OTTUNWA, Ia., Nov. 21.—This af-ternoon a mole gathered in the princi-pal street, seized a man named John son, who had ravished a child 6 years old, put a rope around his neck and have blue.

Multnomah County Officials In-

Portland, Oregon, November 23.-It seemed from the way the wind howled last night, and the rain descended that even the Almighty probably not have created more surprise than the action of the grand jury in returning indictments against three of Multnomah county's officials. These three are Treasurer Charles A. Malarkey, Sheriff Penum-Notwithstanding Sylvester I, and his proclamation, the people of this portion of Oregon refused to observe Thursday as ordered.

bra Kelley, and County Clerk T C. Powell. The allegations against Treasurer Malarkey are that being duly qualified as the county treasurer, it was his duty October 1, 1893, to make and file with the clerk of the county court a report showing the amount of money he had received during the six months preceding, from what sources the money had been received with the date of its receipt and the persons from

approached by newspaper men today the officials had "nothing to say." The only remark made by Treasurer

Ex-Secretary Rusk's Good Work. INDIANAPOLIS, Ind., Nov. 22 -- General Harrison spoke with deep feeling last evening regarding the death of General Rusk. He said:

"I had very little acquaintance with General Rusic previous to his going in-to my cabinet, though I knew he had been a brave soldier and a congressman of ability. As secretary of agriculture for was highly successful. He was a man of becad statesmanship, and looked out for the greatest benefit for the whole country. He made a special study of export products and the foreign embargoes, and worked constant-ly through the secretary of state to have these restrictions to exportation removed. His success all the world knows now."

Look out for a grand holiday dinner. and supper given by the ladies of the First Christian church on December 29. Watch for further notice.

The Queen Restored.

Cricago, Nov. 22.—A local paper this afternoon publishes a Washington dispatch, saying it is confidently as-SETE'S seried at the state department that the queen was restored to the Hawaiian throne yesterday. Gresham and his colleagues make the assertion in a matter-of-fact-way rather staggering to the anti-administration men. According to a high official, the administration has not the least doubt the queen has been restored. Willis' report did not leave the slightest doubt of restoration on the appointed day.

The Lehigh Strike.

Galeshung, Ill., Nov. 21.—Twenty Burlington & Quincy engineers left here last night to take the places of the strikers on the Lenigh Valley road. Several persons here are hiring men for the Lehigh Valley. There is a large surplus of men on the Burling-ton and it is believed many will go. The Burlington furnishes transportation and 30 days' leave of absence. Some of those going came here six years ago to take the places of the stri-kers on the Burlington. The feeling against the men going is very bitter in
