## BOARD OF TRADE.

Considerable Important Business Transacted—A Full Report.

Board met in regular session, President Wilkins in the chair, Present, Miller, Connelley, Barber, Livingston, Swerford and VanTye. Minutes of last meeting read and approved. A communication was read from Senator John H. Mitchell, Washington, D. C., acknowledging receipt of resolutions and petitions from this board, and stating that he would give them his immediate attention and bring them before congress at the earliest opportunity. Mr. Connelley stated that he had received a communication from a gentleman in Wisconsin asking for maps, printed matter, descriptive of the country, statistics, etc. He had sent all he could get, but found it difficult to get enough of such printed matter, as the board had long since used up its stock, and the real estate agents had about used up their supplies.

An informal discussion was had in regard to a steamboat, also on the question of steamboat landing and wharves. On motion the president was requested to find out the length of time the ground for a warehouse could be leased for and the terms thereof. Mr. Swerford stated he had received a letter from two parties in Dakota in regard to building and running a flour mill in this city. He stated that they were men of practical experience, that they were very wealthy and had built and now owned and were running several large flouring mills in North Dakota. On motion Mr. Swerford was instructed to correspond with those parties and learn what propositions they may have to offer. The secretary elected at the last annual election having stated that it would be impossible for him to serve, on motion the office was declared vacant, and Mr. VanTye was elected to fill the vacancy.

On motion of Mr. Livingston it was ordered that an order be drawn on the treasurer to pay bills to the amount of \$5.00. On motion read adjourned. M. C. VANTYE, Secretary.
