America Produces the Least.

WASHINGTON, Feb. 14.-In answer show that the best average prices were obtained when wool was practically free of duty. Previous to lation at the Trans-Mississippi ton C. Ford, chief of the bureau of statistics of the treasury department, has congress condemning the Wilson wool and the manufacture of wool. It says the increase in the production in foreign countries, especially in Austral-ia, South America and Africa, has been far greater than in the United States. While the American clip has trebled since 1860, the Australian clip has in-creased tenfold, that of South America brought sixty cents a pound in the Boston market, and after duties were removed the price ranged as follows:

1857. 60 cents 1863 70 cents 1858. 55 " 1860 60 " 1865 75 " 1860 60 " 1865 75 " 1860 7 ninefold, and that of South Africa fivetemptation to extend the production.

Were this depression local, local remedies would apply; but it is general and wool was then virtually on the free list. SHE KILLED HERSELF.

A Promise to Her Bend Friend.

SARATOGA, N Y., Feb. 14.-Mary Mackay, the 15-year-old daughter of James Mackay, of Providerce, in this county, committed suicide by taking poison. She was the boon companion of Anna Knippler, about 15 years old, who also committed suicide by taking poison a few days ago because her mother had scolded her for playing truant from school. The suicide of the Mackay girl is said to be the keeping of a promise made to her friend, Anna, on her deathbed.

The Engene Loan and Savines Bank will conduct both a Commowrial and Savines business, and your especial attention is called to the savings leafures of it. It is not what you make but what you need to the first not what you make but what you need that makes you rich. In all communities there are many persons of small moldings, which, it not deposited in some bank or loaned, will be special in one way or another. It is difficult to loan small amounts, but they can be juil in a savings bank and made to bring some returns. Helieving that the time has come for the successful operation of a Savings Bank in this community, we sollely your patronage in this matter.
